Protect Your Buildings from Fire. Use Gould's Fire Resisting Paint in all colors. It preserves, beautifies, and wears as long—or longer—and is cheaper, than other standard paints. The pulpit of the local church was filled by Dr. W. G. Babcock, of St. Paul, Minn., much to the delight and edification of those present. Do It Now! If you knew that by lending your friend fifty or a hundred dollars or more it would save him from a great loss of property, and that he would be absolutely sure to pay it back, you would scarcely think of the interest your money would be earning for you. Now, your Uncle Samuel is in a tight place; he's mighty good, but he just doesn't have the ready money. He asks you for a loan. Will you turn him down? Ask your banker, or postmaster how to do it. Four per cent. ought to look good. BUY A LIBERTY BOND! and do it NOW! WHAT CATARRH IS It has been said that every third person has catarrh in some form. Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good. To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building-tonic, free from alcohol or any harmful drugs. Try it. Scott & Borne, Bloomfield, N. J.

Good for 4 per Cent. Have you any money at interest? Anything laid by for a rainy day? Work for your first dollar, but as soon as you get it, make it help to earn your second. This principle followed will preclude the possibility of your ever becoming a public charge, and make it possible for you to be a blessing to the world that gives you existence. Suppose you had in your hand to-day all the pennies, nickels, dimes and dollars that you have spent during the past year for that which you could just as well have done without, what would you do with it? Your home and the home of every other citizen in the United States is threatened by a powerful enemy. Already thousands of our sons, brothers, and husbands are marching to battle. But, while they are fighting, they must be fed. They must be provided with warm clothing, and munitions with which to fight. Then, they must have wages. All this takes fabulous sums of money. The money must come from the people. Now, you are not asked to contribute this money as a gift. The Government wants to borrow it from you and the Government will give you its note (Bond) and pay you four per cent., paying you the interest every six months. To get into this game you do not have to wait until you have accumulated a great lot of money. You may have but fifty dollars. Take it to the Bank and tell the cashier you want to help win the war; that you want to buy a Liberty Bond; that you have fifty dollars that you want to invest at 4 per cent interest. He will understand. And when you return to your home you will have the feeling that you are of some account to the Government, and that you are a—BONDHOLDER. Toll Gates Must Go. The commissioners of Franklin county have decided to waste no more time in dickering over the purchase of the turnpike extending across the county east and West through Mercersburg, Greencastle and Waynesboro. Their offer to purchase the road for \$1000 a mile was not accepted by the turnpike company. Now they propose to join with the State highway department in condemnation proceedings, under the amendment of 1913, and it is generally agreed that the company has missed a good opportunity, because no jury is expected to award it a sum anywhere like the one which the county agreed to pay. When the condemnation proceedings are started the toll gates will be immediately removed and then Franklin county will have but three miles of toll road, on the Leitersburg pike from Waynesboro to the Maryland line, and Fulton county will not have any. Educational Meeting. The first Local Institute of Bethel Township was held at Gordon's School Friday evening, October 12th. The questions for discussion were as follows: 1. Review Work: Value of. 2. The teacher in the school room and, the Community. The questions were discussed by the following teachers: Blanche Smith, Clara Norris, Earle Golden, Mary Breakall, Elias Lynch, Frances Norris and Gladys Charlton. The next institute will be held at Warfordsburg Advanced school, Friday evening, October 26th. —Secretary. What Ford Thinks. Henry Ford's subscription was accompanied by a statement declaring that the United States in making war on Germany did the "best thing that ever happened for the world." "Although there is not a man in the world more opposed to war than myself, I feel that we must support our government to the limit in this war, because our president is pledged to abolish future wars as possible," said Ford in his statement. Sugar Now Short. The country is now pinched for sugar and the shortage is spreading. Herbert Hoover, food administrator, says there will be no relief before December and urges strict economy.

Motor Licenses. The State of Pennsylvania, during the first nine months of this year, has received in license fees the stupendous sum of \$3,204,606. Automobiles are still being registered, and will be until the close of the year. This sum is almost a million dollars more than was received last year and double that received seven years ago. The summary of registrations shows that the State has registered one vehicle (automobile, motor truck, or motorcycle) for every 27 inhabitants in the State, and seven, for each mile of public road. This means that the automobile owners are contributing about \$35 a mile toward the upkeep and improvement of every foot of public road in the State. Private Sale. To vote a straight party ticket, mark a cross (X) in the square, in the First Column, opposite the name of the party of your choice. A cross mark in the square opposite the name of any candidate indicates a vote for that candidate. If you desire to vote for a person whose name is not on the ballot, write or paste his name in the blank space provided for that purpose. A cross (X) in the party square in the first column does not carry a vote for any Associate Judge. To vote for associate judge mark a cross (X) opposite the name of the candidate desired.
