

Use ATLANTIC Rayolight OIL

It will give you more satisfaction per gallon, better light per lamp and greater heat per stove. All the impurities that cause smoke, smell and charred wicks are removed. All the qualities that give a clear, mellow light and a steady, even heat are retained.

Perhaps you've thought that kerosene is kerosene and that's all there was to it. There's a lot more to it. You should see our expert chemists testing and experimenting to produce the highest refined kerosene in the world. And they have succeeded. That's why it is called Rayolight Oil—to distinguish it from ordinary kerosenes.

Besides heat and light, Rayolight Oil has many other uses in every home, such as cleaning bathtubs and windows, polishing furniture, etc. Hundreds of thrifty housewives have told us their experiences with Rayolight Oil and we have put all these helpful suggestions in an attractive, illustrated booklet for the use of our customers. A copy will gladly be sent upon request.

The next time you need kerosene look for the store with the sign: "Atlantic Rayolight Oil for Sale Here." Then ask for it by name. The dealer won't charge you a cent more than for the inferior, nameless kind.

Mrs. Jerome Brown and her sister Miss Annie Mowery, of Anderson, Ind., visited their cousin Mrs. R. N. Fryman a few days last week. The Duffield Music Store.

Charles E. Duffield, whose advertisement appears frequently in the Fulton County NEWS, and who is proprietor of the Duffield Music House in Chambersburg, has effected a lease for a store room further down town in that city, and expects to remove his store about the 1st of November to 51 South Main Street, the room recently vacated by the Leiter Brothers, next to the store of J. Seiser's Sons.

Mr. Duffield will make a number of improvements to the rooms and will add three booths for the purpose of demonstrating the Columbia gramophone and records. His new location will give him more room to display his high grade pianos and varied musical instruments.

What Liberty Bond Buyers Get.

Q. If I pay in full for a \$50, \$100, \$500, or \$1,000 bond, do I receive the bond?

A. Yes; you will receive a bond dated November 15, 1917, and bearing interest from that date. You will receive it within a short time after your payment has been made.

Q. If this bond is a coupon

bond, will it have the coupons attached?

A. The bond which you receive will have coupons attached, covering the semi-annual interest for a period of two years. After November 15, 1919, before May 15, 1920, the will have an opportunity to change this bond for a new one having a full set of coupons attached.

Q. Why are bonds issued this way?

A. The work of ending bonds with a large number of coupons attached is so great that bonds can not be ready for delivery to purchasers within a reasonable time except by reducing the number of coupons.
