Jennings, chairman of the food department of the Carbon county Committee of Public Safety. Markets have been organized in the following towns: Lehighton, Mauch Chunk, Summit Hill, Weatherly, Weissport, Palmerston, East Mauch Chunk, Landsford, Nesquehoning and Bowmanstown. They are sold at a moderate price; just sufficient to cover original cost, express and handling at the market. In the opinion of Dr. J. M. T. Finney, head of the John Hopkins base hospital in France, a "new hell will have to be invented to properly provide for the Kaiser." There can be no doubt in the world but that Germany is 'going,' and that the allies are 'coming' all the time. But unless something unforeseen happens, the general feeling is that it is going to be a long, grim war, and that the end is not in sight."

It creates strength to resist school sicknesses, overcome pinched faces, sallow complexions and dull eyes. High authorities have established again and again that cod liver oil promotes growth and energizes the body and brain. The imported Norwegian cod liver oil always used in Scott's Emulsion is now produced in our own American laboratories which guarantees it free from impurities. Scott & Bowne, Bloomfield, N. J.
