Smileage Books Here.

What is a smileage book? It is a small book containing twenty coupons worth five cents each.

Of what use are the coupons? When placed in the hands of one of your soldier friends in any of the large training camps in the United States each coupon is worth five cents, to be used in exchange for tickets for entertainments conducted there for soldiers.

Have you a friend or relative in one of the camps? Yes.

Do you want him to enjoy some good clean entertainments? Certainly.

Will you help to provide funds to supply these entertainments? Of course you will.

Have you some one particular relative or friend that you want to remember? Most assuredly.

Will you remember him? Buy a Smileage Book.

What do they cost? One dollar.

What do you do with the book? Write the name of the person to whom you wish to send it, upon it, place it in an envelope properly addressed and stamped, deposit it in some postoffice and it will reach the person to whom you wish it to go.

Fulton County is allotted 250 of these books. Many have already been bought, Get yours and get it early, if you want it.

They will be on sale at many places. If you cannot secure one otherwise, write to George W. Reinsner, treasurer, McConnellsburg, Pa., and send to him One Dollar and Three cents for return postage and he will send one of the books to you.

Squire T. K. Downs, of Belfast township, was in town on business last Friday afternoon and Saturday.

Farm Machinery

Mr. Farmer, your Government is calling upon you to raise more food.

Can you do this without proper implements or without soil aids? Never in the history of this country, except during the Civil War, has the farmer received such high prices for his products. Machinery prices are higher too, but not in the same proportion.

Will you save money by doing without a plow, cultivator, harrow, or some other necessary implement? Will you save money by neglecting to buy a binder, a manure spreader, or a grain drill?

Think it Over. Remember too, that we bought at last year's prices, and can sell at much lower figures than present market conditions permit. Call and see a complete line.
