GOOD CLEAN ENTERTAINMENT.

Minstrel Show Given by Mercersburg Eagle Cornet Band For the Benefit of the McConnellsburg Dramatic Club, in Auditorium Next Monday Evening.

The McConnellsburg Dramatic Club has secured the Mercersburg Band and Minstrel Show to give a performance, at the auditorium in McConnellsburg on Monday evening, March 18th, the proceeds to be devoted to the payment on the debt for decorating the auditorium, which has been done by the Dramatic Club. The character of the entertainment is above reproach and has been commended by the press and pulpit unanimously.

In these strenuous times of war and a world gone mad, the people should keep the home fires burning and give aid and encouragement to the organization that has done so much to beautify the Play House of the whole community, and that has given so freely of its time and energy that the people might have a community centre where they can assemble for entertainment and instruction.

The tax payers have been saved the amount of money incurred by the Dramatic Club as per the statement and the people should crowd the house in support of this entertainment—the proceeds of which are for so good and unselfish a cause.

Let everybody attend. Reserved seats on sale at Seylar's drug store Saturday 1 o'clock, at 50 cents and 35 cents. Remember the date Monday night March 18th.

Just in this connection it may be said that it is a matter of pride to the citizens of McConnellsburg, that they have a room into which strangers may be invited to attend the County Institutes, and other public entertainments for the public good, and this room is the Auditorium of the Public School Building. With a debt existing on the building, the School Board did not feel justified in increasing the tax to furnish and beautify the auditorium! Local pride prompted the younger people to take it upon themselves to have the work done and to assume the payment of the same. An organization, the McConnellsburg Dramatic Club, was formed, the work was done, and we now have one of the finest rooms in this section of the State. The club is trying to cancel the debt by giving our local public, good, clean entertainments, and our people will be only too glad to help the Club out, and at the same time get value received for their contributions.

The following statement, shows just what the Club has done, and what its indebtedness is:

Potatoes.

The U. S. Department of Agriculture urges that the normal acreage of Irish and sweet potatoes for 1918 should be maintained, notwithstanding the large crops in 1917.

This is especially true in view of the necessity of releasing more wheat for export. Potatoes, both Irish and sweet, are the most popular and most generally used of the perishable staple crops. The department, through its extension and publication activities, is encouraging their greater use, especially the use of the Irish potato as a partial substitute for wheat in bread making.

The yield per acre can be made more certain by greater attention to the selection of disease-free potatoes of good varieties, by treatment of seed potatoes immediately before planting, and by the use of sprays to prevent loss from blight.

Mrs. Margaret Johnston and sons of the Cove spent a few days recently in the home of Mr. and Mrs. A. B. McDowell, near Lemasters.

Farm Machinery

Mr. Farmer, your Government is calling upon you to raise more food.

Can you do this without proper implements or without soil aids? Never in the history of this country, except during the Civil War, has the farmer received such high prices for his products. Machinery prices are higher too, but not in the same proportion.

Will you save money by doing without a plow, cultivator, harrow, or some other necessary implement? Will you save money by neglecting to buy a binder, a manure spreader, or a grain drill?

Think it Over. Remember too, that we bought at last year's prices, and can sell at much lower figures than present market conditions permit. Call and see a complete line.

Dry Goods

Our spring dry-goods are beginning to arrive. More yet to arrive thruout the month. Come in and look at them even if you are not ready to buy.

The best way to economize in these war times is to buy good quality, staple merchandise. Don't buy cheap, shoddy goods. It doesn't pay, and this store doesn't have them in stock.

We are especially proud of our dry-goods line. Remember it is complete.
