AMERICAN SOLDIERS IN FRONT LINE TRENCHES AT LORRAINE GATE

Here are two of the best pictures received in the United States showing our boys at the actual fighting front holding a portion of the Lorraine sector against the Teuton horde. At the top is shown a section of a trench held by American troops, and at the bottom a soldier ready to fire a signal rocket as a warning that a German attack has begun.

SWITZERLAND FEARS INVASION BY GERMANY AND AUSTRO-HUNGARY

The massing of large bodies of German and Austro-Hungarian troops along the Swiss frontier has caused Switzerland to fear that Hindenburg intends to invade its territory in the effort to turn the French right flank. The illustration shows Swiss mountaineer troops on the path to the Dreibachspitze on the frontier, and, at the left, an officer of the Swiss army wearing the recently adopted steel helmet.

BRITISH TANK GOING INTO ACTION THROUGH A FRENCH VILLAGE

The British tank going through which it is passing has received a considerable amount of attention from the Germans, but that doesn't bother the tank in the least as it lumbers into action. The Boche guns will make the tank their objective as soon as the Teuton air scouts report its presence.

RESULTS OF GERMAN AIR RAIDS OVER PARIS MAY BE CROWNED CZAR

The upper photograph shows a view of several of the houses which were wrecked by the bombs dropped by the Germans. These places of "military importance" to the Germans were the homes of the people who live in the poorer section of Paris. The lower photograph shows the results of bombs dropped on the dormitory of a children's hospital, which fortunately had been vacated in time by the 200 children, and none were injured there. The building is a mass of wreckage. If the children had not been removed doubtless every one of them would have been killed.

According to recent reports the Germans may put the former czar's son on the Russian throne. Here is the latest photograph of the son of the ex-czar, now plain Alexis Romanoff.

SERVICES OVER REMAINS OF FIRST AMERICANS TO DIE IN FRANCE

Impressive rituals marked the burial of Corp. James B. Gresham, Private Thomas F. Enright and Private Merle D. Hay of Company F, Sixteenth Infantry, who were interred with religious and military ceremony at Bathelme on the afternoon of November 4. Throughout the ceremony at the graves, French batteries, from their positions, fired minute guns over the village at the German trenches.

Our Three Kinds of Men.
"America is composed of three classes of men—first, those who have succeeded, and, second, those who haven't."
"Yes? And the third?"
"Oh, they're the fellows who write articles for the magazines telling the second class how the first class did it."—Life.

Harmonious Fate.
"Talking about names, there's an English burglar here who first got into trouble in London."
"How was that?"
"He broke into a house with a jimmy, and came out of it with a Bobby."

A NERVOUS BREAKDOWN

Miss Kelly Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Newark, N. J.—"For about three years I suffered from nervous breakdown and got so weak I could hardly stand, and had headaches every day. I tried everything I could think of and was under a physician's care for two years. A girl friend had used Lydia E. Pinkham's Vegetable Compound and she told me about it. From the first day I took it I began to feel better and now I am well and able to do most any kind of work. I have been recommending the Compound ever since and give you my permission to publish this letter."—Miss FLO KELLY, 476 So. 14th St., Newark, N. J.

The reason this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, was so successful in Miss Kelly's case was because it went to the root of her trouble, restored her to a normal healthy condition and as a result her nervousness disappeared.
