WOMAN WORKS 15 HOURS A DAY

Marvelous Story of Woman's Change from Weakness to Strength by Taking Druggist's Advice.

Peru, Ind.—"I suffered from a displacement with backache and dragging down pains so badly that at times I could not be on my feet and it did not seem as though I could stand it. I tried different medicines without any benefit and several doctors told me nothing but an operation would do me any good. My druggist told me of Lydia E. Pinkham's Vegetable Compound. I took it with the result that I am now well and strong. I get up in the morning at four o'clock, do my housework, then go to a factory and work all day, come home and get supper and feel good. I don't know how many of my friends I have told what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. ANNA METEHLIANO, 86 West 10th St., Peru, Ind.

FRIENDS ONE COULD SPARE

Most of Us Have at Some Time Suffered at the Hands of Unthinking Persons.

The fellow who buttonholes you, or picks hairs off your coat, and maybe winks a roguish sort of wink, isn't it with the shoulder hitter and crazy bone crusher. He doesn't appear to be afraid of your breaking away, but wants to be confidential and intimate.

Then there is the fellow who persists in trying to keep in front of you. He necessarily crowds you to the edge of the sidewalk or to the wall.

His understudy is the chap who tries to keep step with you without being able to get your step. Talking about three steps to your two he is forever losing the step and forever trying to catch it. When you try to accommodate your step to his you are apt to find him trying to accommodate his step to yours, so that you only mussy up a bad mess.

Don't kill 'em. Heaven is just and they get what's coming to them; maybe not as hot as you would serve it, but they'll get it all right.

There are those who persist in talking when we don't want to talk, nor to be talked to. And there are others, notably those who persist in talking when we want to talk ourselves. It is difficult to say which of these is the worse hope.

You never know what you can do until you try to undo what you have done.

The rich man has many joys, but he misses the joy of wanting something.
