SCOTT'S EMULSION

Its rich, uniform cod liver oil gets into their blood and gives them vim, snap and zest. It creates strength to resist school sicknesses, overcome pinched faces, sallow complexions and dull eyes. High authorities have established again and again that cod liver oil promotes growth and energizes the body and brain.

United Doctors Specialist

Brings the knowledge of a Great Medical Organization and Their Experience in the Successful Treatment of Thousands of Chronic Disease Cases OFFER SERVICES FREE OF CHARGE

Licensed by the State of Pennsylvania.

The United Doctors is an organization of reputable, licensed, physicians for the treatment of certain diseases. They are all specialists. The United Doctors treat, without Surgical Operations or hypodermic injections, diseases of the blood, skin, and all internal organs, rheumatism, tapeworm, leg ulcers, weak lungs and all long standing, deep seated diseases. Thirty-five years' experience and all complete records of thousands of cases successfully treated prove that the methods of the United Doctors are right. They were among the first to be called "Bloodless Surgeons"

Each member of the United Doctors staff has at his command the knowledge and resources of the whole organization. Many people go on suffering from diseases that can be alleviated just because they cannot afford to go to high priced specialists at a distance from home. No community has a sufficient number of sufferers from the diseases mentioned to support special hospitals for their treatment and care.

The United Doctors have solved the problem. Their highly trained specialists travel from place to place. They diagnose and prescribe a course of treatment for the sufferers in each community and teach them how to take care of themselves at home. Worn-out and run-down men or women, no matter what your ailment may be, no matter what you have been told, or the experience you have had with other physicians, if your cases is incurable they will tell you so. Consult him upon this visit. It costs nothing. Married ladies must come with their husbands and minors with their parents.
