IS THIS THE VOTE OF A PATRIOT?

Continued from page 1.  
in the language of Congressman Farr he voted "to put a yellow streak in the flag."

In the language of Congressman Graham he was PRO-GERMAN, and did not want to be ONLY AN AMERICAN.

Congressman Focht's vote on the McLemore resolution was condemned in the following scathing language in an able editorial written by T. A. Appleby, a gallant veteran of the Civil War, in The Twice-A-Week Republican on March 10, 1916, headed "The Shame of the 17th District."

"In the vote taken in the House of Representatives in Washington on Tuesday, which in effort was intended to assure the country and the world that Congress was backing the President in his efforts to defend the citizens of the Union, and her honor against Germany, we are all shocked to find our representative arrayed against the President; thus giving encouragement to Germany in murdering our people on the sea. We have not given Mr. Focht credit for sincerity in seeking the country, but we supposed he had sense enough to know that his constituents were patriotic citizens of the United States, and that he misrepresented them when he voted to hamper the President in his efforts to maintain the honor of the country."

"A mere politician should have known that the American people are neither craven or cowards, nor are the men in this District craven or cowards. B. K. Focht may have represented his private views in his vote against the President if he did we do not admire his sense of manhood. We are ashamed of him."

The Philadelphia North American condemns Congressman Focht's vote on the McLemore resolution in the issue of December 9, 1917, as follows:

"Focht and his friends realize that to support the government and help win the war cry might go all right in the case of a congressman who had done either one. Congressman Benny Focht, so far from being numbered among the supporters of the Government, was not numbered among the early supporters of the war. He voted for the McLemore resolution that invited Germany to sink our ships and slaughter our citizens."

A COMMON ERROR.

The Same Mistake Is Made by Many McConnellsburg People.

It's a common error To plaster the aching back, To rub with liniments, rheumatic joints, If the trouble comes from the kidneys. It's time to use Doan's Kidney Pills.

Here is convincing proof of Mrs. H. Bernacker, 567 Philadelphia Ave., Chambersburg, Pa., says: "I had a bad fall and my back became very sore and painful. A constant, throbbing ache settled in the small of my back and I suffered from head aches. I felt miserable and the medicine I took didn't seem to help me. I finally bought Doan's Doan's Kidney Pills at Greenawald's Drug Store and they soon removed all the trouble and now I only use them occasionally as a preventive."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Bernacker had. Foster-Milburn Co., Props, Buffalo, N. Y.

Family Gathering.

Last Sunday being Mother's Day, children and friends assembled at the home of Mr. and Mrs. W. Scott Brant and both parents and children had a most delightful time. It will be gratifying to learn that Mr. Wible's health is much improved. Those present were: Mrs. John Wible and sons Melvin and Earl and daughter Goldie; Clem C. Brant of Chambersburg and sons Walter and Dean; Mrs. Geo. King and daughter Margaret, of Hiram; Bert Brant and son Harry; Mrs. Maggie Ambrose, Miss Fannie Miller, Mr. and Mrs. Clarence Hoover and children—Madelaine, Scott Brant and baby—all of town.

G. W. Wagoner, of Knobsville spent a few hours in town yesterday. The last letter he had from his son Rush who was at Camp Lee, intimated that Rush was likely to go to France soon.

Quite a number of people attended preaching at Center last Sunday, by Rev. Strain who delivered a wonderful sermon on "Mothers Day."

There will be preaching at 10:30 May 26th.

Veteran Joseph Wyles and John A. Hauman are still poorly. William Welsh of Bedford County and family have moved into the Mountain House, which had been vacant since R. L. McCure and family left, prior to April 1st.

Postmaster M. H. Hollinshead, Scott Wible, and John C. Deshong, have each had a well drilled recently and each have installed good pumps, which will be a great convenience to each of them. Nothing like having good cool water convenience.

The good rains of Friday last, and Monday of this week, are starting vegetation very nicely, and will recompense for delaying the planting of corn, potatoes, etc.

Mr. Samuel Campbell, and Mr. Wyles, of New Enterprise, Bedford County, Mr. and Mrs. Hersherger, Mr. and Mrs. Snyder, of Snake Spring Valley came to see their sick friend Veteran Joseph Wyles, last Sunday.

The Y. M. C. A. Work.

James M. Morton writing somewhere in France to his parents, Hon. and Mrs. Peter Morton under date of April 19th, says: "The Y. M. C. A. work is a wonderful organization for us soldiers over here. Too much cannot be said of the valuable work it is doing. It furnishes the soldier with, as nearly as may be done, very many of the conveniences and comforts he was obliged to give up when he left home for army service."

The Mid-year Meeting of the Woman's Conference Mission Board of the Rayshill and Southern Pennsylvania Conference will be held at Gapsville, Bedford

Writing from Pond Creek, Okla. under date of May 7th, Mrs. Elizabeth M. Sharpe, formerly of this county, says: "I want the NEWS sent awhile longer as I cannot very well be without it. Say to my friends, this fine May morning that I send greeting to all my old Pennsylvania friends and acquaintances. Tell them that my sight is giving out, and that they must pardon me, if I do not write as frequently as I used to. I shall be glad to hear from any of them at any time. The prospect of a fine crop is promising. We are getting nice showers and everything is looking fine."

RACKET STORE'S SUMMER ANNOUNCEMENT

Well, in our last advertisement, we called your attention to Dr. Hess's Remedies for all kinds of Stock. We sure have sold a lot of it, and the results have been great. A lot of people have said they never got so many eggs; never had pigs to do so well; cows to improve so in the flow of milk. From all this we cannot help feeling that where these Remedies have been tried they have done good, and no advance in the price either.
