In This Department Our Readers in Fulton County and Elsewhere May Journey Around the World With the Camera on the Trail of History Making Happenings.

FRENCH PATROL BOAT PROTECTS THE AISNE CANAL

French gunboats have been armed with anti-aircraft guns to protect the Aisne canal from enemy flyers. These guns have been instrumental in driving off raiders attempting to destroy the canal. The picture shows the deck of one of these boats with its battery of anti-aircraft guns ready for action.

AMERICAN LOCOMOTIVE ENGINEERS ON THE JOB IN FRANCE

Some of the American locomotive engineers now in France are here seen hard at work assembling a big American engine.

HUGE GERMAN SUBMARINE STOPPING SPANISH LINER

This German submarine, one of the largest type employed by the Teutons for long-range cruises, has stopped the Spanish mail steamer Infanta Isabel de Borbon off Cadiz. The submarine is shown circling about the steamer while five officers and 15 men of the crew were busy searching the detained ship. The photograph was made from the upper structure of the Spanish steamer while the search was in progress.

CALIFORNIA TOWN DEVASTATED BY THE RECENT EARTHQUAKE

This striking photograph shows the piled-up ruins in the business district of San Jacinto, Cal., after the earthquake. Soldiers are patrolling the devastated area to guard against vandals. The shock, which was felt throughout southern California, did most damage at this spot, where it destroyed more than a third of the city, including almost the entire business section. The neighboring town of Hemet was also severely hit by the earthquake, the damage in the two cities amounting to half a million dollars.

BADGES FOR VETERANS OF MEXICAN ROW

Here are the new Mexican service badges, which are being distributed to the American veterans of the border brush. On the left is the navy badge, both sides being shown, and on the right the army badge.

CATHOLIC BISHOP OF A. E. F.

PROTECTING FRENCH ART

The innumerable art treasures of France are guarded against damage by the enemy air raiders. The photograph shows how the statues in the garden of Versailles palace are protected.

Pushing "Liberty Bread."

The "Liberty bread shop," at 35 Huntington avenue, Boston, has been opened and is being carried forward with the approval of the Massachusetts section of the woman's committee of the American army at the front in France by Pope Benedict. When Bishop Hayes goes to the front he will be extended every courtesy by General Pershing and the officers of the expeditionary force. Although he has been given no high army rank, the war department welcomes his appointment and will provide him with all the necessary credentials for his work. He expects to visit the men at the front very soon.

Wild Broncos Sent Abroad.

There should be plenty of bucking and pitching of broncos along the western front in Europe now, as 31,000 absolutely wild Canadian horses have arrived in Europe, according to Clyde Dunlap, horse wrangler, who returned recently to Virginia, Minn., from the Canadian northwest, where for 21 months he has been roping the animals, says an exchange. He said most of the horses were captured in the wilds of the Peace river country, northwest of Edmonton, and none of them has ever looked through a bridle.

Germany to Grow Cotton.

Germany and her allies are undertaking to overcome their shortage of cotton by developing production in Bulgaria. Official dispatches recently said the Bulgarian government has undertaken to place large blocks of suitable land at the disposal of planters. The principal cultivation will be done in the lowlands and river border of the Dobruja and in the vicinity of Adrianople.

FIRST AMERICAN-BUILT TANK IS BIGGEST YET

The first American-built tank, called the "America," is the biggest ever constructed, and is greatly superior in power to any other. It weighs 45 tons, and is propelled by steam.

"MURDER GUN'S" WORK IN A NURSERY

The photograph shows the condition of a day nursery in Paris after the bombardment by the big German gun in the forest of St. Gobain that shells the city at a range of almost eighty miles. One shell landed in the nursery and created the awful havoc shown. Many of the children and their nurses were killed and the rest of them injured.

TRANSPORTING THE SERBIAN WOUNDED

This photo shows a unique method of the Serbians for transporting their wounded soldiers from the mountains, where they are still fighting the Bulgarians and Austrians.

NERVOUS PROSTRATION

May be Overcome by Lydia E. Pinkham's Vegetable Compound - This Letter Proves It.

West Philadelphia, Pa. - "During the thirty years I have been married, I have been in bad health and had several attacks of nervous prostration until it seemed as if the organs in my whole body were worn out. I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound and it made a well woman of me. I can now do all my housework and advise all ailing women to try Lydia E. Pinkham's Vegetable Compound and I will guarantee they will derive great benefit from it." - Mrs. FRANK FITZGERALD, 25 N. 41st Street, West Philadelphia, Pa.

There are thousands of women everywhere in Mrs. Fitzgerald's condition, suffering from nervousness, backache, headaches, and other symptoms of a functional derangement. It was a grateful spirit for health restored which led her to write this letter so that other women may benefit from her experience and find health as she has done.

For suggestions in regard to your condition write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.
