Ran McDonald, who is remembered by a good many Fulton County people, passed through McConnellsburg last week in his automobile returning from Camp Lee to which place he had taken a party of visitors. Mr. McDonald says he found some good roads between here and Camp and some that were very bad.

Red Cross Work.

An auxiliary to the Red Cross was formed in Ayr township Tuesday evening with an enrollment of 27 members. This does not mean that Ayr township is only now getting into the game. They have heretofore been working with McConnellsburg, but it was thought more could be accomplished by having an auxiliary of their own. At the meeting Tuesday evening the following officers were elected: president, Mrs. H. A. Duffy; secretary, Miss Cora Nesbit; treasurer, Mrs. Margaret Johnston; solicitor, Mrs. W. M. Kendall. The next meeting will be held at the Big Cove Tannery Lutheran church Tuesday evening, June 25th.

New Members.

Since last reported, the following new members have been added to the Brush Creek auxiliary: Annie Engle, B. W. Morris, Wilda McKee, Julia Wertz, Bertha Spade, and Locust Grove school. To the Bethel auxiliary have been added Paul Hill, J. E. Ritz, Mrs. J. E. Ritz, Lethia Golden, Stella Garland, Wallace Hess, Della C. Carnell, Frank L. Carnell, and Mrs. Wm. Palmer.

Annual Reunion.

The nineteenth annual reunion of former Fulton County people now residing in Seneca county, Ohio, was held at Meadowbrook Park, Bascom, O. on Saturday, June 8, 1918. About sixty members responded to the roll call. Among the visitors from a distance were Rev. and Mrs. Smoke and little son of Greensburg, O.

Immediately after dinner the meeting was called to order by the president, and an excellent program was rendered. A strong feeling of patriotism was manifest in all the exercises of the day. Seven of our young men are of draft age and awaiting their Country's summons.

The following officers were elected for the ensuing year: president, Grover Funk; vice president, Ross Hixson; secretary-treasurer, Ethel Peck; assistant, Mrs. D. L. Mason; chorister, Nellie Keefer; pianist, Ruth Savial; assistant pianist, Guerta Keefer.

It was decided that the next annual reunion be held at Meadowbrook Park, Bascom, O. on the second Saturday in June, 1919.

CHAS. HUSTON & BRO., Three Springs, Pa

The FUEL Administration authorizes us to say that it considers the use of OIL Cook Stoves at this time a very important help in the necessary conservation of Coal for war purposes

This is another way for patriotic women to help the government—use an oil cook stove and save coal. The best part of it is that you save work for yourself, too. But when you do buy an oil cook stove be sure it's a New Perfection.

NEW PERFECTION OIL COOK-STOVES

mean less work—less worry—less expense. A New Perfection will do anything your range will do—bake, fry or boil—and all without the bother and fuss of tinkering with drafts or carrying coal and ashes. You always have just the right heat at the right time—no waste of fuel—no over-heated kitchen.

For most satisfactory results, though, always use Atlantic Rayolight Oil. It's different from other kerosenes—so scientifically purified that it burns in the New Perfection without smell, smoke or charring the wicks. Yet it costs no more than ordinary kinds. Always ask for Atlantic Rayolight Oil and insist on getting it. Go to your dealer now and select your New Perfection Oil Cook Stove.

CREAM

The Most Valuable Product of the Farm

Do you farmers realize that the profitable business of cream production is rapidly coming into favor—do you realize that it IS profitable: even yielding better returns than grain or live stock?

We have established a permanent market at McConnellsburg, and as the cream we gather is for the manufacture of ice-cream and evaporated milk products, we can always pay a higher price than creamerymen buying cream for butter making.

Our station will be open Monday, Wednesday, Friday and Saturday of each week and we would be glad to have you call and talk the matter over with our manager, Mr. Frank Tritle.

Price until July 1st, 44c per lb for butter fat
