TAKE 250 MORE PRISONERS

German Commanders Told Their Troops That Army Had Landed in America—U. S. Artillery Brilliantly Carries Out Its Part.

American Army in France.—German prisoners captured by the Americans on storming the Belleau wood section now number 250, including seven officers.

The importance of the American advance in Belleau wood is not indicated by the amount of territory captured, as that only amounts approximately to 500 square yards.

The Americans made an irresistible rush for the complete clearing of the wood, in which it was discovered the Germans were still occupying a small strip of the underbrush.

Washington.—As a further step toward carrying out the War Department's plan to have 3,000,000 men under arms August 1, Provost Marshal General Crowder called on the Governors of all states except Arizona and Illinois for the mobilization between July 22 and 25 of 220,000 white draft registrants, qualified for military service.

This call is expected virtually to exhaust the number of men now in Class 1, available for active military service, and, when added to school requisitions of 23,436 men, brings the total calls so far announced for July to 243,436.

To complete its program for the remainder of the present year, the department will have to depend on the 400,000 Class 1 registrants expected from the June 5 enrollment and the 250,000 or 300,000 to be obtained through the reclassification now in progress.

In the call New York leads the list with 22,241 men; Iowa is second, with 17,840, and Wisconsin third, with 13,260.

PROCEDURE WAS SIMPLE

The First Number Drawn From The Bowl Was 246—The Second And Third, Respectively, Were 1168 And 818.

Washington.—The United States class of 1918 Thursday stood at attention as the numbers assigned each young man attaining his majority in the year ended last June 5 were drawn in the national draft lottery.

Historic events of a little less than a year ago were repeated as, from a large glass bowl in a committee room of the Senate Office Building, were drawn the numbers representing 744,500 youths, the majority of whom within a few months will be enrolled in the forces fighting for democracy and against Prussians.

Secretary Baker, members of the Senate and House Military Committees and other high Government officials witnessed the drawing by blind-folded men of the little capsules from the bowl, each capsule containing a "master number" to be applied in the 4,500 registration districts of the country, according to total registration.

The numbers in the order drawn were: 1 To 10. 216, 1168, 818, 1091, 479, 469, 492, 154, 529, 355. 11 To 20. 580, 740, 10, 599, 29, 210, 445, 305, 259, 1067. 21 To 30. 1153, 410, 298, 361, 17, 328,
