Important to all Women Readers of this Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Womens' complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer pain in the back, head-ache and loss of ambition.

Poor health makes you nervous, irrita-ble and maybe despondent; it makes anyone so.

But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such

A good kidney medicine, possessing real healing and curative value, should be a blessing to thousands of nervous, over-worked women.

Many send for a sample bottle to see that Swamp-Root, the great kidney liver and bladder medicine will do for them. Every reader of this paper, who has not already tried it, by enclosing tencents to Dr. Kilmer & Co., Binghamton, N. Y., may receive sample size bottle by Parcel Post, You can purchase the medium and large size bottles at all drug serves. Adv.

Acid-Stomach Makes Millions Old Before Their Time

What is it that robs so many people of their vitality, youth and good looks—makes them all in land decrepit, years before their time? Some say it's rheumatism that is siling them. Others complain of chronic stomach or liver trouble. Others are bitious. Life is a burden to multitudes of dyspeptics. Severe head ache, extreme nervousness, insomnia, mental depression, melancholts, anemia, dizziness, vertigo, heart and chest paims, constipation, etc., claim other multitudes. Sometimes these people are downright sick. More frequently they are just week, sickly and unfit, not knowing exactly what is the matter with them. Nearly always they resort to medicines of one kind or another in the hope of getting back their beatth and strength, and nearly always they are disappointed, because medicines don't build strength unless they set the stomach free from acidity, allowing it to take full strength out of the food eaten.

What is it that causes teeth to decay? Denists say—acid mouth—that the acid formed by the ferementation of amali particles of food lodged in the teeth is powerful enough to eat right through the hard enough to eat right through the hard enough to eat right through cetards disestion.
