ASOK.

The election of County Superintendents throughout Pennsylvania on Tuesday marks the completion of the third decade since the adoption of the present school law and the election of the first County Superintendents, the Act having gone into effect May 8, 1854. The County Superintendents who have served Snyder county since the passage of the Act, together with the salaries paid each, as far as we are able to learn, are as follows: Prof. Jacob S. Whitman, of Freeburg, was elected in May, 1854, for the county of Union. He resigned after serving one year; David Heckendorf, who resided at Adamsburg, became his successor, through appointment, receiving a salary of \$300. The next County Superintendent, and the first elected for the new county of Snyder was Prof. Daniel S. Boyer, of Freeburg. The Directors' Convention in May, 1857, agreed to pay Prof. Boyer \$200 per annum, but the directors reconvened six months afterwards and raised it to \$500. Samuel Allenan, Esq., then a resident of Middleburgh, was elected in 1860, and received a salary of \$400. Prof. William Moyer was elected in 1863, 1866, and 1869, salary, \$500. Prof. William Noetting was elected in 1872 and 1875, receiving \$500. Prof. Noetting resigned immediately after holding his public examinations in October, 1877, and State Superintendent Wickersham appointed Mr. Wm. P. Schaff, of Selinsgrove, as his successor Mr. Schaff was elected in May, 1878. He was the first County Superintendent of Snyder who was elected after the passage of the Act giving County Superintendents a salary of \$1,000 and upwards. Prof. William Moyer was again elected as County Superintendent in May, 1881.—Freeburg Courier.

SHAMOKIN, ITEMS.

Seeing so many communications in your worthy paper from all parts of Snyder county, I concluded to drop a few lines from Northumberland county.

At this present writing the streets of this town are thronged with people, parading back and forward, nodding their heads at almost every body they pass, in fact some would pay a proper respect to a "Lamp post" if it only had a bonnet on.

It is my sad duty to report that Joel Kaseman, who labored in company with me and a number of others, was unfortunately thrown from a tressel forty feet high and was dangerously injured.

I am sorry to say that my companions who came with me from Snyder county, were unable to remain away from home. Hope they may have a more substantial mind when next they go away from papa and mamma.

While pondering over the county papers we notice the loss of several of our best and respectable citizens of West Beaver, sorry to lose them.

Many thanks to Wm. Moyer, for the kindness he has bestowed upon us during his term of office as county Superintendent. He had surely done his duty, and hope his successor will do the same.

SELINSGROVE ITEMS.—Last week I

stated some facts about those Sunbury fellows' department when here at the fire. Now I do not wish to place any discredit upon the wrong parties. It was not the Fire or Hook and Ladder Companies, that behaved badly, but the rowdies that came with them.

The select school of Messrs. Heintzelman and Potter was discontinued, because they had too few scholars. The other school report a roll of 34 scholars.

This section was visited by a refreshing thunder shower on Friday. It was a welcome visitor.

The 12th inst. has been appointed as the time for beginning to tear down the old church that has stood for 81 years. We would attempt no rash guess at the number of confirmations that have taken place at her altar. The congregation purpose making the new edifice the finest church building in Snyder county.

Thomas Wenrich's house was visited by burglars on Monday night. The trying to break the lock on the back door awakened Mrs. W. who called to a neighbor, but the neighbor did not hear her. By this time the robbers, hearing the noise of her footsteps, fled. They should have had a load of No. 6.

The Directors on the 6th did their duty fully, by placing at the head of our common schools, that able educator, Maj. W. H. Dill. Success attend him in his new field of labor. We learn he will locate in our midst and open a Normal school free gratis. This is the duty of the County Superintendent.

Prof. Keenan of Freeburg acted as organist in the Evangelical Lutheran church (General Synod) on Sunday.

The following is the programme of the exercises attending the unveiling of the Luther Statue at Washington, May 18, 7:45 p. m.—Memorial oration in Memorial Lutheran church by Rev. F. W. Conrad, D. D., of Philadelphia.

May 19, 7:45 p. m.—(German) A. J. D. Welmeyer presiding. Addresses by Rev. Ed. Moldenke, D. D., of N. Y. City and Rev. F. Ph. Houghman, D. D., of Baltimore.

May 20, 7:45 p. m.—Gen. J. A. Ekin, U. S. A. presiding. Platform meeting with 15 minute speeches by Revs. Drs. J. Fry, D. M. Gilbert, Joel Swartz, Rev. D. H. Grissinger. Poem by Rev. M. Shaelegh.

May 21, 2 p. m.—His Honor, Chief Justice Waite presiding. Orations—Hon. G. D. Conroy, U. S. Senator from Michigan, and Rev. J. G. Morris, D. D., of Baltimore. Unveiling prayer by Rev. C. A. Hay, D. D. of Gettysburg.

Unveiling of statue by the President of the U. S.

Music will be furnished by the Marine Band.

The Catholic Mirror of Baltimore is telling its readers a falsehood, when it says that the statue of Luther is to be placed on public ground. The ground is the property of the Memorial church, except a very small corner.

The creators of the statue were compelled to place a small corner of it on public domain so as to give it a nice position. But we would also remind the Mirror that there are statues of Roman Catholics erected wholly on public ground.

During the centennial of American Independence, some Catholic citizens of Philadelphia made application to the commissioners of Fairmount Park to erect statues to memories of Chas. Carroll, Commodore Barry and other noted Romanists. Now this park is the property of the citizens of Philadelphia. A majority of them are protestants yet no one kicked against the statues being placed there.

If Catholic statues can stand wholly on public ground why can't only one small corner of Luther's rest on public ground?

Quite a strange animal has been captured near Penns Creek by Calvin C. and Harry Wetzel. After consulting books containing specimens of different species of animals we pronounced it a Shrew, but to the disgust of its captors after its imprisonment of a few days it gnawed a hole through its enclosure and thus made a clean escape and has gone to parts unknown. A handsome reward is offered to any person who may recapture and identify it.

The managers of the Union Seminary at New Berlin are taking subscription to raise funds towards the erection of an addition to that institution and convert it into a college one year hence.

Prof. A. E. Goble occupied the pulpit of the Lutheran church at New Berlin on last Sunday for Rev. A. C. Felker, who by a severe blow from a piece of wood while engaged at repairing fence on his farm near Lewistown last week, was seriously hurt about his face and was not able to officiate.

Jerry J. Spangler, residing about one mile south-west of New Berlin, near Penns Creek, offers his home consisting of 27 acres of land, all in a good state of cultivation for sale, and will give possession to the purchaser 30 days after sale.

Mr. App, from Selins Grove, Pennsylvania, and Mr. Well Houseworth of this city, have in Mr. Housworth's stable this week a car load of horses, which they are going to ship on Monday to Selins grove for sale. A large number of persons in this city have been attracted to the stables this week to see their horses which is by all odds the finest lot of horses ever shipped from the city. Every animal is as near perfect in the class to which it belongs, carriage or draft, as a horse can well be, and they are all young, sound, gentle, well broken and reliable in every respect. Mr. Housworth is probably the best buyer of horses in this part of the country, and he has bought these horses with special reference to the market to which they are going, determined to get suitable ones, without regard to cost. They are fine horses, and have been bought at big prices because they are fine. We hope the gentlemen will make something out of their venture.—Mason City (Ill.) Journal.
