Woman Stumps The Philosophers.

Tennyson—Woman are angels,

Shakespere—Perfidious as a wove

Balzac—Women complain of being misunderstood.

Byron—Angels have wings, and always end up in flying off

Diderot—He who comprehends them is their implacable enemy.

Chamfort—The most beautiful girl in the world can only give that which she has.

Saint Evremont—We take women for what they are not; we quit them for what they are.

Leopardi—When one speaks of women there is a weapon more terrible than calumny—the truth.

Oriental Proverb—One leads a horse by the bridle, an elephant by his rope a woman by her heart.

Chalfort—Love is more pleasing than marriage, for reason that novels are more amusing than history.

The Koran—It is necessary to have at least four wives in good health and gentle humor.

Byron—I have seen those (the tempests) of woman, and I have seen those of the waves, and I pity more the lovers than the sailors.

Hamilton—In matters of love nothing is so common to all women as the desire that another shall not gain that which she herself refuses.

Eels in Ireland.

One of the industries along the Shannon River, in Ireland, is the capture and cultivation of eels. The taking of 40,000 in a single night sometimes occurred years ago; but the present product is much less, owing to the draining of the country and other influences. At Castle Connell are five immense tanks, in which the eels are kept alive, and allowed to grow, the dead and weak ones being dipped out every morning by means of large landing nets, and sold mostly to poor people. It is during this fishing process that the inmates of the tanks are seen to the best advantage, for every fin and tail are in motion, swimming upward and downward in one vast living mass. Eels of all ages, sizes and degrees are there. Thousands are there also in the tank varying in weight from two ounces to twelve pounds. These latter are the well flavored juicy fellows that are converted into the delicious "collared eel" for which Killaloe is so justly famous.

NOT HIS HANDWRITE.

Old man Davidson, in Leake County, Miss., has a son in Texas. A short time ago young Davidson got into trouble and was arrested and fined. He had no money, and it was go to jail or raise it by some means. He told the sheriff that if he would wait until he could write home to his father the money would be forthcoming as soon as his family were made acquainted with his troubles, and the mails could bring it. The Sheriff suggested that he telegraph to his father to send him the money by telegraphic money order. He acted upon this suggestion. When the telegram reached the Mississippi office the operator had to send it several miles into the country to the old man. When Mr. Davidson read it he was confused and could not understand it, and appealed to his wife to assist him. She looked at the telegram and handing it back said: "John, that ain't William's handwrite. It's a trick of some of them town folks to beat you out of $50." The old man thought his wife was right. William laid in the Texas jail until he got a reply from a letter.

GRIT.

Men of grit are to be admired. Senator Mahone, of Virginia, is one of them. Grit has won him all his victories. He weighs only 100 lbs., but ninety-five of that is solid backbone. If there is anything in God Almighty's world that I despise it is a man with a little old, cotton string for a backbone with a couple of bits sewed to it. Judas Iscariot betrayed his master for thirty pieces of silver, but there are men to day who will do it for clothing and board themselves.

Only Temperance Bitters Known.

VINEGAR BITTERS

VEGETABLE. FREE FROM ALCOHOL. PURELY CALIFORNIA. WALKER'S. EUREKA.

VINEGAR BITTERS

No other Medicine known so effectually purifies the blood of deep-seated diseases.

Millions bear testimony to its wonderful curative effects.

It is a purely Vegetable Preparation, made from the native herbs and roots of California, the medicinal properties of which are extracted therefrom without the use of Alcohol.

It removes the cause of disease, and the patient recovers health.

It is the great Blood Purifier and Life-giving Principle; a Gentle Purgative and Tonic; a perfect Renovator and Invigorator of the system. Never before in the History of the world has a medicine been compounded possessing the power of VINEGAR BITTERS in healing the sick of every disease man is heir to.

The Alterative, Aperient, Diaphoretic, Carminative, Nourishing, Laxative, Sedative, Counter-Irritant, Sudorific, Anti-Bilious, Solvent, Diuretic and Tonic properties of VINEGAR BITTERS exceed those of any other medicine in the world.

No person can take the Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Bilious, Remittent, Intermittent and Malarial Fevers are prevalent throughout the United States, particularly in the valleys of our great rivers and their vast tributaries during the Summer and Autumn, especially during seasons of unusual heat and dryness.

These Fevers are invariably accompanied by extensive derangements of the stomach, liver and bowels. In the treatment, a purgative, exerting a powerful influence upon these organs, is absolutely necessary.

There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as it will speedily remove the diseased viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Purify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus forearmed.

It invigorates the Stomach and stimulates the torpid Liver and Bowels, cleansing the blood of all impurities, imparting life and vigor to the frame, and carrying off without the aid of Calomel, or other minerals, all poisonous matter from the system. It is safe in all administration, prompt in action, and certain in its results.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Pneumonia, Dizziness, Sour Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, and a hundred other painful symptoms, are all soon relieved by VINEGAR BITTERS.

For Inflammatory and Chronic Rheumatism, Gout, Neuralgia, Diseases of the Blood, Liver, Kidneys and Bladder, the Bitters have no equal. In these, as in all constitutional Diseases, WALKER'S VINEGAR BITTERS has shown its great curative powers in the most obstinate and intractable cases.

Mechanical Diseases.—Persons engaged in Painting and Mineral, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to Paralysis of the Bowels. To guard against this, take occasional doses of VINEGAR BITTERS.

Skin Diseases, Scrofula, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of the Bitters.

Pin, Tape and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics, will free the system from worms like VINEGAR BITTERS.

Measles, Scarlet Fever, Mumps, Whooping Cough, and all children's diseases may be made less severe by keeping the bowels open with mild doses of the Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, this Bitters has no equal.

Cleanse the Vitiated Blood when its impurities burst through the skin in Eruptions or Sores; cleanse it when obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when, and the health of the system will follow.

In conclusion: Give the Bitters a trial. It will speak for itself. One bottle is a better guarantee of its merits than a lengthy advertisement.

Around each bottle are full directions printed in different languages.
