-: POETRY :--

DER DEUTSCHER'S MAXIM.

Dhere vas vot you call a maxim Dot I hear der oder day. Und I wride it in my album. So id don'd could got away: Und I dells mine leedle Yawcob He moost mind vot he's aboudt; "Tis too late to lock der shtable Vhen der horse he vas gone oudt.'

Vhen I see ubon der corners Off der shtreets most efry night Der loafers and der hoodlums, Who do nix but shyear und fight, I says to mine Katrina; "Let us make home bright und gay Ve had petter lock der shtable, So our colts don'd got away."

Vhen you see dhose leedle urchins, Not mooch ofer knee-high tall, Shump righdt into der melon patch, Shust owf der garden vall, Und vatch each leedle rashkell Vhen he cooms pack mit hees "boodle," Look out und lock your shtable, So your own nag don'd shkydoodle

Vhen der young man at der counter Vants to shpeculate in shtocks, Und buys hees girl some timond rings Und piles righdt oup der rocks, Look oudt for dot young feller; Id vas safe enuff to say Dot der shtable id vas empty, Und der horse vas gone avay.

Den dake Time by der fetlock; Don'd hurry droo life's courses, Rememper vot der poet says, "Life's but a shpan"-off horses; Ber poy he vas der comin' man; Be careful vhile you may; Shust keep der shtable bolted, Und der horse don'd got away. Harper's Magazine

A DUEL IN A BALLOON.

M. Godard had taken with him one day, as his campagnon du voy age, a wealthy gentleman, who paid one thousand francs for the privilege of sharing the perils of the expedition. The weather could not have been more propitions, and the balloon shot up rapidly to a con siderable altitude.

What effect does it produce on you !" asked M. Godard of his companion.

voyage in a balloon, and certainly rather than to be only lamed; have one would not dream of meeting the charily to precipitate me from a with a warlike encounter in the height of nine thousand feet."

DR MARAND ROTHROCK.

"None," said the latter, Inconical ly.

"My compliments to yon," returned M. Godard. "You are the first whom I have ever seen arrive at such an altitude without betraying some emotion."

"Keep on mounting," said the traveller, with supreme gravity.

M. Godard threw out some bal last, and the balloon ascended some fiv : handre i feet bigher.

"And now," asked M. Godard "does your heart lest ?"

"Not yet," replied his companion. with an air which approached impatience.

"The deuce !" exclaimed M. Godard. "you have really, my dear sir, the most perfect qualification for an aeronaut."

The balloon still ascended ; when one thousand feet higher, M. Godard interrogated a third time his com pation, "And now !"

"Nobing, nothing ; not the shadow of a fear," answered the traveller, with a tone positively discontented. and like a man who had experienced a profound deception.

"Goodness me," answered the aeronaut smiling, "but I must renounce all hope of making, you afraid. The balloon is high enough We are going to descend." "To descend ?"

"Certainly ; there would be dauger in mounting higher."

"That does not make the slightest difference to me, 1 do not wish to descend."

"What /" asked M. Godard. "I said I wished to ascend higher, keep on mounting. I have given one thousand francs in order to experience some emotion ; I must do so, and will not descend until I

have had my money's worth " M. Godard began to laugh ; be believed that it was all a joke.

"Once more, will you ascend," demanded the traveller, seizing him by the throat and shaking him with vi olence.

M. Godard felt himself lost. A sudden and dreadful revelation a height. broke upon his mind, as he regard. ed the strangely d.lated eyes of his companion. He had to do with a stupified. madman

Hospital at one time, but nobody

Dr. Johnson says that "the babit of looking at the bright side of any thing is worth more than a thousand bounds a year." There are other habits, even more valuable, which the young should most carefully calivate. The habit of temperance in all things, of curbing the temper. of ove and kindness to all, of diligence a business-these are a few of the good habits we can not place too high a value upon. It is as strange as sad that bad babits are far more enacions. Even what is at first distasteful may become at length a necessary. I never beard yet of a person who enjoyed his first quid of

They get along fast in Dakota. and to prove it a story is told of a recently elected Judge. He had been a sort of free lance in his profession, and had incurred the enmity of a certain lawyer. This lawyer came before the Judge the other day with an ordinary motion which should have been granted in due course of law. But it wasn't.
