Women in the School Boad.

There is an increasing sentiment in favor of putting women in our school boards. They certainly have as great, if not a greater, interest in the education of children than the sterner sex, and with experience, they probably would serve the public interests involved with efficiency.

A report reached us from a country neighborhood "down East," that has recently elected a female school board, and our correspondent sends us the following list of questions which they have drawn up to propound to any young man applying for the position of teacher in the district school.

1. Have you any prejudice against boarding around?
2. Would you object to splitting kindling wood if you could do it evenings?
3. Would you be willing to excuse the big girls half a day Monday to help wash?
4. Do you approve of Union undergarments for children?
5. How many eggs would you use in a batch of punkin pies?
6. What is the best month to bile soap?
7. Would you lay skirts in pleats, or cut them goring?
8. Do you favor oleomargarine or lard for shortening?
9. Would you set out cabbage plants before or after a rain?
10. When would you set beus?
11. Do you favor the basque or polonaise?
12. Would you speak a piece at the meeting of our Dorcas Sewing Society?
13. Could you help in the choir?
14. Would you set the sponge over night for yeast bread, or do you advo cate salt rising?
15. Do you favor women voting, and what would be a fair remuneration for each vote?
16. Is biled dinner indigestible?
17. Is coffee or eggshell best for settling coffee?
18. Do you believe in the future punishment of disobedient scholars?
19. Or would you give it to 'em as they go along?
20. Do you favor double heels and toes in knitting?
21. How much for a drawing of tea to each person?
22. Are you willing to subscribe to the missionary cause?
23. Are you temperate, and if so, how much?

One can well imagine the state of mind into which such an array of questions would plunge a young man who wanted to teach.

A Man's Mother-in-Law.

It is a mystery which no man has yet solved, why so many sad jokes are constantly being perpetrated about a man's mother-in-law. What dreadful crime has the unfortunate woman committed in providing the man with his wife that he should bear such an undying grudge against her?

Now if it was a woman's mother-in-law who was made the butt of these jokes there might be a grain of senses in them; for it is the man's mother who has it in her power to make life a burden to the young wife and not half try.

As a matter of fact, a woman is usually proud of her son-in-law if he only gives her the ghost of a chance.

When the young couple goes to housekeeping who is it that comes in and with her good sense and practical experience tides them over the rough places?

A man's mother-in-law.

It is a woman's mother-in law who is most apt to criticise, and who exasperates the young wife by quoting all too frequently, "My son is used to having things thus and so." "My son must have this or that for his meals." "My son, with his small income, should have married a prudent, economical woman," etc.

When the first baby makes its appearance, as well as the successive ones, who is it that steps in and relieves the husband of his weary vigils and take the load of care and worry off the wife's feeble shoulders, and keeps the household machinery running smoothly?

The man's mother in-law.

When he and his wife plan to take a little trip together, who is it comes and takes charge of the house and children, so that they can perfectly enjoy their holiday, with the restful thought, "Grandma is there and it is all right?"

The man's mother in-law.

When there is sickness or trouble in the house, who is the faithful nurse, the wise counsellor, the sympathizing friend?

The man's mother-in-law.

And if, in the course of events the wife dies, who is it that usually comes in and takes care of the chileren, and keeps up the home till the bereaved husband has time to look around and find another wife?

A man's mother-in-law.

And how does he reward her for all this devotion?

By making heartless jokes at her expense, and publishing them for [illegible]

Good Results in Every Case.

D. A. Bradford, wholesale paper dealer of Chattanooga, Tenn., writes: that he he was seriously afflicted with a severe cold that settled on his lungs; had tried many remedies without benefit. Being induced to try Dr. King's New Discovery for Consumption, did so and was entirely cured by use of a few bottles. Since which time he has used it in his family for all Coughs and Colds with best results. This is the experience of thousands whose lives have been saved by this Wonderful Discovery. Trial bottles free at G. M. Shindel's Drug Store.

An End to Bone Scraping.

Edward Shepherd, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well." Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25 cents per box by G. M. Shindel.

IT IS WONDERFUL

how easily rheumatism begins, and how insidiously it grows in the system, until one is startled to find himself its victim in either the acute or chronic form. He then learns the fearful tenacity of its grip and the utter powerlessness of the ordinary remedies to give relief.

Probably to no disease have physicians given more study, and none has more completely baffled their efforts to provide a specific; and until Athlophoros was discovered there was no medicine which could surely cure rheumatism, neuralgia and nervous or sick headache. Thousands of testimonials bear the following proves beyond question that Athlophoros is the only reliable remedy, and that it will do all that is claimed for it.

Catskill, Green Co., N. Y.
August 19, 1886.

I can recommend the Athlophoros to anybody that is in want of it. It has cured my mother who has had neuralgia all her life and also rheumatism. She says she is all free from pain now, and will not be without a bottle for twice the price. I gave a bottle to my brother who had neuralgia in the bowels and it cured him in a few days. FRANK HAWKINS.

Rouses Pt., Clifton Co., N. Y.
August 14th, 1886.

Two years ago this Summer I was sorely afflicted with rheumatism in my right knee and left shoulder, and was induced by a friend to try Athlophoros. I used five bottles, got well, and have been comparatively free from rheumatism since. I have great faith in it, and have recommended it to my friends. So far as I know all who have tried it speak its praise. R. HEATON.

Every druggist should keep Atolophoros and Atlophoros Pills, but where they can not be bought of the druggist the Athlophoros Co., 112 Wall St., New York, will send either (carriage paid) on receipt of regular price, which is $1.00 per bottle for Athlophoros and 50c. per Pills.

For liver and kidney diseases, dyspepsia, indigestion, weakness, nervous debility, diseases of women, constipation, headache, impure blood, &c., Athlophoros Pills are unequaled.

A QUESTION ABOUT
Brown's Iron Bitters
ANSWERED.

The question has probably been asked thousands of times. "How can Brown's Iron Bitters cure everything?" Well it doesn't. But it does cure every disease for which a patent medicine should be used. All Physicians recognize Iron as the best tonic and strengthening agent known to the profession, and Brown's Iron Bitters is the best preparation of Iron in use. It is conceded by leading chemists of the country to be the most perfect preparation of iron yet discovered, and it is a well established fact that there are more preparations of iron than of any other substance used in medicine. It is also conceded that iron is indispensable to the cure of most important factor in the success of the medical practice. It is, however, a remarkable fact that prior to the discovery of BROWN'S IRON BITTERS there was no entirely satisfactory iron combination which could be found. BROWN'S IRON BITTERS does not injure the teeth cause headache, or produce constipation—all other iron medicines do. BROWN'S IRON BITTERS cures Indigestion, Biliousness, Weakness, Dyspepsia, Malaria, Chills and Fevers, Tired Feeling, General Debility, Pain in the Side, Back or Limbs, Headache and Neuralgia—for all these ailments Iron is prescribed daily. BROWN'S IRON BITTERS, however does cure in a minute. Like all other thorough medicines, it acts slowly. When taken by men the first symptom of benefit is removed sooner. The muscles then become firmer, the digestion improves, the bowels are active. In some the effect is usually more rapid and marked. The eyes begin at once to brighten; the skin clears up; healthy color comes to the cheeks; nervousness disappears; functional derangements become regular, and if a nursing mother, abundant sustenance is supplied for the child. Remember Brown's Iron Bitters is the ONLY iron medicine that is not injurious. Physicians and druggists recommend it.
