Not So Bully After All

One day the troopers of Roddy's cavalry were about to go into battle, dismounted, leaving every fourth man hold the horses. The men were drawn up to count from right to left. Of course, every fourth man felt jolly, and this is the way the count went on:

"One."
"Two."
"Three."
"Bully!"
"One."
"Two."
"Three."
"Bully!" &c.

Gen Roddy heard each fourth man call out "Bully," His face flushed, When all had called off, he said:

"Numbers 1, 2 and bully will go into the fight as dismounted cavalry. No. 3 will hold the horses."

My friends to whom I have recommended it, praise it at every opportunity."

RULED BY PREJUDICE.

Few persons realize how thoroughly they are controlled by prejudice even to their own disadvantage. For many years the treatment of rheumatism, neuralgia, sciatica and headache has been by some outward application, and, therefore, without stopping to think that the origin of these troubles must, from necessity, be internal, the weary sufferer continues to rub, rub and find no relief. Athlophoros is taken internally, and as a proof that this is the correct principle, it cures surely and speedily. The statement of those who have been cured ought to convince the incredulous.

C. F. Bruce, Metuchen, N. J., says: "My mother had the rheumatism in her heart, and was cured by Athlophoros. She says there is no medicine like it."

James W. Reed, 4038 Penn Ave., Pittsburgh, Pa., says: "My mother, although 73 years of age, was entirely cured by the use of Athlophoros."

Miss Carrie Patten, Eagle Village, N. Y., says: "My mother was nearly a cripple in her arms, not having been able to dress herself scarcely able to feed herself for nine months, being in severe pain most of the time. The acute pain ceased after taking three bottles of Athlophoros, but she continued to take it until all signs of rheumatism were gone; having taken 27 bottles in all. She has not taken any since last May, and can use her arms as well as ever. A number of friends have taken it, and in every case it has given satisfaction. Terms of sick headache, it gives almost immediate relief."

John M Wolcott, Pillard, N. Y., says: "I got a bottle of Athlophoros for a friend. She at once quieted rapidly, and has not been troubled with the rheumatism since."

Every druggist should keep Athlophoros and Athlophoros Pills, but where they can not be bought of the druggist the Athlophoros Co., 112 Wall St., New York, will send either (carriage paid) on receipt of regular price, which is $1.00 per bottle for Athlophoros and 25 cents per box for Athlophoros Pills.

For liver and other diseases, use Athlophoros Pills.
