A Blast Against Tobacco.

Smoke, do you? Well, then, sir, you know
How fast and firm these habits grow:
You've often doubtless sworn to quit,
And then forgot it till you'd lit
A fresh cigar and caught the smell
Of that which pleases you so well.

You buy two where 'twas six before—
But go more often to the store:
You storm and reason with yourself,
And put your box back on the shelf,
But, in whatever place you are,
Your thoughts are with your shelved cigar.

How weak this proves strong men to be!
Free, yet in helpless slavery!
The thought is madness to the mind;
We'll burst these galling chains that bind!
But ere, my friend, we go too far,
I'll thank you for a fresh cigar.

A Lesson With a Moral.

WHEN WILL OUR EYES BE OPENED TO THIS GREAT NATIONAL CALAMITY?

The year 1886 played sad havoc with many prominent men of our country.

Many of them died without warning passing away apparently in the full flush of life.

Others were sick but a comparatively short time. We turn to our files and are astonished to find that most of them died of apoplexy, of paralysis of nervous prostration, of malignant blood humor, of Bright's disease, of heart disease, of kidney disease, of rheumatism or of pneumonia.

It is singular that most of our prominent men die of these disorders. Any journalist who watches the telegraph reports will be astonished at the number of prominent victims of these disorders.

Many statements have appeared in our paper with others of the effect that the diseases that carried off so many prominent men in 1886 are really one disease, taking different names according to the location of the fatal effects.

When a valuable horse perishes, it becomes the nine days' talk of the sporting world, and yet thousands of ordinary horses are dying every day, their aggregate loss is enormous, and yet their death creates no comment.

So it is with individuals. The cause of death of prominent men creates comment, especially when it can be shown that one unsuspected disease carries off most of them, and yet, "vast numbers of ordinary men and women die before their time every year from the same cause."

It is said if the blood is kept free from uric acid, that heart disease, paralysis, nervous prostration, pneumonia, rheumatism, and many cases of consumption, would never be known. This uric acid, we are told, is the waste of the system, and it is the duty of the kidneys to remove this waste.

We are told that if the kidneys are maintained inperfect health, the uric, kidney, acid is kept out of the blood, and these sudden and universal diseases caused by uric acid will, in a large measure, disappears.

But how shall this be done? It is folly to treat effects. If there is any known way of getting at the cause, that way should be known to the public. We believe that Warner's safe cure of which so much has been written, and so much talked of by the public generally, and which can be obtained of dealers everywhere, is now recognized by impartial physicians and the public as the one specific for such disease.

Because public attention has been directed to this great remedy by means of advertising, some persons have not believed in the remedy. We cannot see how Mr. Warner could immediately benefit the public in any other way, and his valuable specific should not be condemned because some nostrums have come before the public in the same way, any more than that all docters should be condemned because so many of them are incompetent.

It is astonishing what good opinions you hear on every side of that great remedy, and public opinion thus based upon an actual experience, has all the weight and importance of absolute truth.

At this time of the year, the uric acid in the blood invites pneumonia and rheumatism, and there is not a man who does not dread these monsters of disease; but he need have no fear of them, we are told, if he rid the blood of the uric acid cause.

These words are strong, and may sound like an advertisement, and be rejected as such by unthinking people, but we believe they are the truth, and as such should be spoken by every truth-loving newspaper.

You frequently hear young men speak lightly of women without regard to whom they may be. They seem to forget that each women is (with few exceptions) somebody's mother or sister, and perhaps as pure as his own; that instead of despreciating female society he should court it; for no influence is more salutary and refining upon young men than that of female society. A pure woman, with her native delicacy and refined and generous instincts; disinterested; ardent, capable of the noblest feeling and highest deeds, is like dew from heaven gently coming and making all things fresh and pure, sparkling and beautiful. And when she is awake to a due sense of the loftiness of her mission, and is not a slave to vanity or fashion, or the love of admiration, whether a sister or wife, or mother or friend, she is God's richest boon to man. There is pity for that man who has to tread the rugged path of life without her soothing and enlivening influence. Many a wayward youth has been saved from destruction by the power of a true affection. And it is always a safeguard to young men to cultivate the love for society of the virtuous and intelligent of the other sex.

He Felt Safer.

A clergyman was so unfortunate as to be caught in a severe gale in the voyage out. The water was exceedingly rough, and the ship persistently buried her nose in the sea. The rolling was constant, and at last the good man got thoroughly frightened. He believed they were destined for a watery grave. He asked the captain if he could not have prayers. The captain took him by the arm and led him down to the forecastle, where the stars were singing and swearing. "There," said he, "when you hear them swearing you may know there is no danger."

He went back feeling better; but the storm increased his alarm. Disconsolate and unassisted he managed to stagger to the forecastle again. The ancient mariners were swearing as ever. "Mary," he said as he crawled into his berth, to his sympathetic wife, after tacking across a wet deck— "Mary, thank God they're swearing yet."

G M. Shindel.

An Old Citizen Speaks

Mr. J. M. Norris, an old resident of Rome, Ga., says that he had been badly troubled with Kidney Complaint for a great many years and with Eczema for three years; at times could scarcely walk and had tried many remedies without benefit, until he began to take Electric Bitters and anointing his hands and feet with Bucklen's Arnica Salve. This treatment afforded him great relief and he strongly recommends Electric Bitters to all who suffer with Kidney Complaints, or need a Blood Purifier. Sold by G. M Shindel.

Most Excellent

J. J. Atkins, Chief of Police, Knoxville, Tenn., writes: "My family and I are beneficiaries of your most excellent medicine, Dr. King's New Discovery for consumption; having found it to be all that you claim for it, desire to testify to its virtue. My friends to whom I have recommended it, praise it at every opportunity."

Dr. King's New Discovery for Consumption is guaranteed to cure Coughs, Colds Bronchitis, Asthma, Croup and every affection of Throat, Chest and Lungs. Trial Bottles Free at G. M. Shindel's Drug Store Large size $1.

A SWINDLER

does not refer possible purchasers to his victims. The Anakesis Co. gladly refers sufferers from rheumatism, neuralgia sciatica, nervous or sick headache, kidney and liver complaints to those who *have been* cured of these diseases by Athlophoros, and will furnish names and addresses of many such persons to those desiring them. Athlophoros is the only remedy for these diseases that can stand such a test.

A. L. Thomas, Cuba, N. Y., says: "My son, J. M. Thomas, had been suffering from rheumatism for several months. Athlophoros relieved him of the pain, and reduced the swelling of the joints, and the lameness entirely disappeared. I have seen those having neuralgia cured by taking medicine."

A. Beard, Mt. Kisco, N. Y., says: "I have been troubled for some time with sciatica and rheumatism, brought on by working in a damp place. I could find no remedy in medicine I was using, until I tried a bottle of Athlophoros, which gave me immediate relief."

Mrs. Alfred Thurston, 42 North Main Street, Wilkesbarre, Pa., says: "I am not troubled with rheumatism now, since using Athlophoros. I believe, should it in any case fail to relieve and permanently cure, the cause would be that the directions were not faithfully followed."

J. J. Savitz, Nazareth, Pa., says: "I gave two bottles of Athlophoros to my sister, and she has entirely recovered. She was afflicted with inflammatory rheumatism and St. Vitus' dance, and although we had two of the best doctors, she gradually grew worse. She would scream from pain night and day. I heartily recommend it.

Every druggist should keep Athlophoros and Athlophoros Pills, but where they cannot be bought of the druggist the Athlophoros Co., 112 Wall St., New York, will send either (carriage paid) on receipt of regular price, which is $1.00 per bottle for Athlophoros and 25c. for Pills.

For liver and kidney diseases, dyspepsia, indigestion, weakness, nervous debility, diseases of women, constipation, headache, impure blood, &c., Athlophoros Pills are unequaled.

AGENTS WANTED FOR THE AUTHORIZED
LIFE OF LOGAN
with introduction by
MRS. LOGAN.

This Biography has been more than two years in preparation. Gen. Logan himself furnished the data to the author, Geo. C. Gunn, his intimate friend and associate, which required no revision, and all but the closing chapter was completed before his unqualified endorsement and introduction. A million-dollar missionary Institute again wants this Character Work and territory. Address at once for peace sake, he entered the University and graduated two years thereafter—with the class of '85.

A QUESTION ABOUT *Brown's Iron Bitters* ANSWERED.

The question has probably been asked thousands of times: "How can Brown's Iron Bitters cure everything?" Well, it doesn't. But it does cure any disease for which a reputable physician would prescribe IRON. Physicians recognize iron as the best restorative agent known to the profession, and inquiry of any leading chemical firm will substantiate the assertion that there are more preparations of iron than of any other substance used in medicine. This shows conclusively that iron is acknowledged to be the most important factor in successful medical practice. It is, however, a well-known fact, that prior to the discovery of BROWN'S IRON BITTERS no perfectly satisfactory iron combination had ever been found. BROWN'S IRON BITTERS does not injure the teeth, cause headache, or produce constipation—all other iron medicines do. BROWN'S IRON BITTERS cures Indigestion, Biliousness, Weakness, Dyspepsia, Malaria, Chills and Fevers, Tired Feeling, General Debility, Pain in the Side, Back or Limbs, Headache and Neuralgia—for all these ailments Iron is prescribed daily. BROWN'S IRON BITTERS, however, does not cure in a minute. Like all other thorough medicines, it acts slowly. When taken by men the first symptom of benefit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active, in women the effect is usually more rapid and marked. The eye lights at once to brighten, the skin clears up, healthy color comes to the cheeks, nervousness disappears, functional derangements become regular, and if a nursing mother, abundant sustenance is supplied for the child. Remember Brown's Iron Bitters is the ONLY iron medicine that is not injurious. *Physicians and druggists recommend it.*
