The United States pension list is \$15,000,000 a year greater than the pension list of all other civilized nations on the face of the globe. It now amounts to over \$70,000,000.

The United States pays every for tobacco smoked in pipes. To \$256,500,000.

(Ind.) Review:

A Diagrace to Borks County

Rearing, July 13 .- For some time and Frank Lempun, a butcher of this place. This afternoon some 600 people assembled in an open field outside the borough limits to witness the two fight it out, stripped, to the waist in hammer-and tongs style, without gloves or referee. They pummeled each other for fifteen minutes, biting and kicking and hitting each other. At the end of that time friends interfered. The fight was to decide who was the "bully" of that end of the county, but no decision was given. Rothermel was kicked in a shameful man- her will, as nurse to Mr. Williams' all some say, that a farmer needs, ner and had his eyes put in mourn- baby. She pouted around the house and this is practically all that many ing. Templin was badly used up. Officers were present but allowed the fight to go on. Considerable constantly scolded. After a scold of education for the farmer at the money changed hands.

The number of State elections which will be held this year is small. Governors will be chosen in lowa. Kentucky, Maryland, Massachusetts floor, and as Mrs. Williams left the est education is sufficient. Give the and Ohio. Kentucky votes on August I, while the elections in the other States named will take place November 8. Ithode Island elected its Governor on April 6. Minor State officers will be chosen this year in New York and Pennsylvania, the election taking place in each State on November 8. The most important of these elections to the people of the country in general will be the ones held in New York and Ohio. In each of these States the Prohibitionists and Labor party will have nominees in the field, and the latter intend to make a lively canvass. On account of the 'moral effect' which it may have on the Presidential struggle in: 1888 a large vote will undoubtedly be cast by each party in all the States mentioned this year-

WANTED-A YOUNG MAN

multiplying its miles of wire is crying out for skilled hands. How comparatively seldom we find young men learning to be carpenters, masons, machinists and like trades.—
Why is it, therefore, that so many young men are idle, having no settled employment, and parents are asking multiplying its miles of wire is crying the conducting to be the server of the second of the Normal school at Hants-ville, Alabama, having bought a first-ville, Alabama, ha
