Positively the largest and best selected stock of clothing in Snyder county will be found at Dreifuss Bros. Selingsgrove, Pa.

The much-needed rain came on Wednesday night of last week. It came just in the nick of time for corn and potatoes and we may now expect a good crop of both.

We have several thousand old papers in the Post office, good to put under carpets, onto cupboards, etc. which we will sell at five cents a dozen.

A meeting of the old Bucktails will be held at Harrisburg on August 21, for the purpose of arranging for a reunion and organization of the regiment so as to get the benefit of the appropriation of \$1,500 for a monument fund.

S. F. Deibert has moved his picture gallery from Beavertown to McClure where he will hold forth for a few weeks. Sammy has been doing quite an extensive business in this county for the last few years, but his success don't make him a bit proud.

There will be a festival, cake walk, balloon ascension, &c., at Kantz on the evening of July 30. The Selingsgrove Cornet Band is engaged for the occasion. A cordial invitation to attend is extended to all.

Wm HUGHES, Sec'y.

Brother Lumbard last week made mention that the editor of the Post and J. B. Reed of Sunbury had killed "twenty-one wood chuck in one day's hunt." We beg permission to correct our brother of the quill. The animals were birds—not wood-chuck but wood-cock!

FOR SALE FOR \$70.—A new piano-box, Electic spring, top buggy. First class make with all latest improvements. Call on or address

T. H. HARTER, Middleburgh, Pa.

Quail are apparently more plenty this summer than they have been for many years, and the whistle of "bob-white" is not an uncommon thing. The killing of so many hawks last year is probably the cause. They should be allowed to multiply now for a few years and we will have an abundance of the birds.

Prof. Murphy, in a recent letter to the editor of this paper writes from Red Stone, Pa.: "We think and talk about the good, kind people of Middleburgh every day, and the term just past will be remembered and cherished as one of the best in our lives, until we return sometime to renew our friendships and acquaintances."

To any person buying \$5.00 worth of goods of us we will pay half the railroad fare to Selingsgrove from any part of the county, and if you buy a bill of \$10 from us we will pay your entire fare from any part of the county to Selingsgrove and return.

Henry S. Stetler, I. N. Johns, M. I. Potter, A. S. Pawling and Miss Lizzie R. Dill have been recommended for Permanent Certificates by the Committee chosen at the last session of the County Institute. We have no doubt that the State Department will issue the papers in due time.

The barn of Daniel Herman burned to the ground with all its contents, excepting livestock on Tuesday night of last week. It took fire about 11 o'clock from some unknown cause.

The barn was insured for \$500, hay and grain \$300 and farming implements \$500, total \$1300 which is almost sufficient to cover the loss.

To Whom It May Concern.—For various reasons I have concluded not to hold the usual "Free Normal" this year. I take pleasure to inform teachers that the county has at least four Normals and with these opportunities the scholarship of our teachers should not decline. I will state my position on the customary "Free Normal" in the next issue.

CHAS. H. HERMAN, Co. Supt.

The law prohibiting the killing of a calf before it has attained the proper age is very stringent. It provides that any person who kills or causes to be killed, with intent to sell the meat thereof for family use, a calf less than four weeks old, or knowingly sells or has in his possession such meat, with the intent to sell the same for such use to foreign market, shall be imprisoned not more than six months or fined not more than \$500.

Warren W. Smith, of Paxton Dauphin Co., Pa. visited his uncle's John P. Smith over Sunday. "Caddie" brought with himself a wife and baby, and the inevitable mouth-organ with which he delights his friends and associates. He is an artist in this line and has few, if any superiors on the little instrument.

Few would believe the amount of music he takes out of a common little mouth-organ.

WHAT FORTY DOLLARS WILL DO.—Young men wishing to attend school will advance their interests by writing for circulars of Palm's Business College, 1709 Chestnut St., Philadelphia. The charge for life scholarship is only forty dollars, and graduates are furnished with situations. Considering the slight expense, and the short time required, this is a very desirable place to secure a profitable education.

The G. A. R. will hold a picnic and reunion of the 51st P. V. V. and Union counties in Bower's Grove, one mile west of Middleburgh, in September, to which all are invited—especially all soldiers. The day will be devoted to military drills, camp fires, and fire-works in the evening. J. B. Woodling will also be there with his "Merry-go-round." Meals will be furnished on the ground at 25 cents, and all kinds of refreshments at moderate prices. A full program will appear in later issues.

HARVEST HOME.—The people of Snyder County will hold a Harvest Home Pic Nic in Bower's Grove, one mile west of Middleburgh on Saturday August 13th. We are unable to give full particulars this week but will do so next. Special trains have been secured for both ways and an effort will be made to secure Ex Governor Curtin to deliver an address. Six bands have been secured and we expect to be able next week to announce most attractive features for the occasion. S. T. Frain of Selingsgrove is the head mover and will make it a success.

Owing to the grand military display in Philadelphia on Sept. 17th, the Committee having in charge the Reunion of the 51st P. V. V. and greeting of a Tablet on Antietam Bridge upon that day, have changed the date of said Reunion to Saturday, Oct. 8th, 1887, to which all are requested to be present. The train will leave Broad Street Station, Philadelphia, at 11 p. m. Friday, Oct. 7th, arriving at Antietam on the morning of the 8th. Fare for round trip from Philadelphia, Norristown and Lewisburg \$5.80; from Easton and Philadelphia \$8.80.

NOTICE.—The undersigned has opened his gallery at McClure, Pa., where he intends to remain for some time, and give all who wish a chance of getting good pictures rain or shine at reasonable rates, from 15 small gems for 25 cents up to \$1.40 for an 8x10 picture ready framed for the parlor. Best pictures taken in cloudy days. 2 pictures, (album size) for 25 cents. Cabinets for 40 cents. Please do not wait for Saturday, but come earlier in the week, and avoid the rush. Gallery near Transue's Store. S. F. DEIBERT, Artist, McClure, July 26th 1887, tf.

The Middleburgh Academy opened on Monday with a very respectable attendance which promises to be largely increased during this and succeeding weeks. Prof. Dawson is showing himself a first-class teacher—capable of imparting the highest grade of instruction. He will be assisted by County Superintendent C. W. Herman and Henry Stetler. The special course for teachers will be a most beneficial feature to those preparing for the school room and we can heartily recommend it. The school is receiving the most hearty encouragement and earnest support of our people.

A SUCCESSFUL LETTER.—A bright little woman recently gave her forgetful husband, the following letter, with instructions that it should be opened until he got to his place of business: "I am forced to trouble you, but it is my duty to do so. I am determined you shall know, let the result be what it may. I have known for a week that this letter was coming, but kept it to myself until today, when it has reached its crisis, and cannot keep it any longer. You must not censure me too harshly, for you must reap the result as well as myself. I do hope it will crush you." Here he turned over the next page, his hair slowly rising. "The flour is out; please send for some this afternoon. I thought that by this method you would not forget it." The husband telegraphed forthwith for a barrel of the best flour in the market to be sent to his home instantly.

INDIFFERENCE AND TO THE POINT.—Disorderly and sad. Disorderly and sad. Indigestion is a foe to good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this bad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

The Juniata Herald of Millintown, recently made the following mention of Lawyer (?) Adam Martin who bummed this county for grub several years ago:

"Judge Barnett, at the recent Orphans and Arguement Court, administrator a lesson to a Snyder county slyster, named Adam Martin, who has figured lately in no very creditable role in and around the courts of this county, as well as to all others who have lent him either aid or countenance in his questionable practices. Martin had impudently resumed to act as an attorney for Daniel Pennebaker, Administrator of Susan Zellers, deceased, and in that capacity had stated Daniel's final account, charging and receiving for the same the extremely modest fee of \$90, when the whole amount of the estate was only \$26.73, thus leaving for distribution only \$6.73. (wonder that he didn't take tail along with hide.) On exceptions being filed to that exorbitant fee, (a lawyer in regular practice would have charged \$15 to 25), Judge Barnett sustained them against the whole of the \$90 fee, and a couple of other mistaken credits in the account and then confirmed it, showing a balance in Pennebaker's hands of \$19.73, instead of \$6.73. The administrator must now make Martin disgorge, or he will himself be slightly "out of pocket." But if he refuses to disgorge and the Administrator "puts the screw to him" Martin will be apt to learn more law and honesty than he has manifested, in Juniata county, at least."

TROXELVILLE.—Last week Wm. Swartz was kicked in the abdomen by a horse so severely that his recovery was doubtful. He is now able to be about again, however.

Huckleberries were plenty on Jacks Mountain this year. Whole companies of people could be daily seen going to pick this much appreciated berry.

Philip Ocker has his house ready to raise.

Fishing seems to be all the go in this part of the county. Scarcely a trace of a fish can be found in the branch of Middlecreek. Some of our celebrated fishermen made an expedition to Penns Creek and returned home with a large lot of eels, but fish, according to their statements, are scarce in that section of Penns Creek.

Eddie R. Wagner, a six-year-old boy who had his arm fractured some time ago by falling from a horse, is doing well.

Miss Hattie Swartz is at present visiting her parents at this place. She is contemplating a trip to the west in the near future.

Several of our young men are talking of attending the Central Penna. College, at New Berlin the coming term.

A. H. Swartz had a very reasonable offer to take charge of a farm near Baltimore, Md., but he refused going. That shows evidently, that home is good enough for him yet.

Misses Clumie and Ida Klina are attending the Freeburgh Musical College.

Mrs. Isaac Swartz was dangerously ill last week, but is slowly recovering. Quotting is quite a common indulgence in our town at present.

Several of our young folks are attending the Adamsburgh Normal School.

Last week one day Smith and Troxal came near having a serious accident with their traction engine. As they passed over a bridge south of town, it gave away and the engine came nearly falling into the abyss below.

By the presence of mind the fireman put on all steam and the engine came out safe. This is again evidence that more attention should be paid and see that the bridges are substantial.

REPORTER.

J. P. Kennis of the Beavertown carriage works has just received a car of 24 inch shingles which he is selling very cheap, also keeps in stock 18 inch. Call and examine before buying elsewhere.

ADAMSBURG.—The A. C. Band held a festival at Middlecreek last Saturday evening, considering the weather it was a success.

The Anniversary of the St. Peter's Sunday School of this place next Saturday promises to be a grand affair.

All are cordially invited. Helfrich & Smith have commenced work on their new house on their coal yard. They will put in a chop mill. They had better put in a roller mill. Something that we need and will have before long.

The plasterers have commenced work on George Smith's house—contracted by Jos Shanton & Son.

Dr. C. Rothrock of McAllisterville, dentist, is practicing his profession here with a view to remain.

Rev. Charles M. Anrad of Williamsport, Md., filled the pulpit in the Lutheran Church, Sunday, and delivered an able sermon to attentive audience. The Reverend and family are visiting relative here.

A. C. Specht, who had come home from Appold, to see his sick wife has left again to finish work that will require several weeks.

The Henry Clay Lyceum reopened Monday evening, and elected as President I. N. Johns. The society merits the encouragement and support of all interested in the advancement of education.

The High School opened on last Monday, under the principalship of I. N. Johns, assisted by A. Shery. The first week shows a good attendance and more are expected.

The mention made in the Post of our fine buildings was quite a compliment, and the suggestion for shade trees and improvements in pavements was well-timed. Our County Seat might profit by the same bid, and build a board-walk from the depot to the Court House.
