## To The Public:

We do not offer to pay rail-road fare for our customers but we will sell our goods at such prices that all who buy them of us will have money enough left to pay thelr own fare. Everybody knows that when a firm offers to pay the fare for its customers, the price of such fare is first added to the price of the goods. Try it and be convinc. ed

Sol. ©ppenheimer's
Clothier, Selinsgrove, Pa .
