In the Way of Proverbs

It takes courage nowadays to be pious; certain people pickle their piety in order to keep it for use when needed.

The courage swims, the coward sinks.

Art is endless, like eternity.

A half a wit is worse than none.

Science is a field which is sowed by one and owned by another.

Thinking men are always critics. There is but a short step to take to make a critic a strickler.

To discern light in shadows is an art.

To the cynic: If you desire to compose a satie writre down your own doings.

If one tells you that the world has hardened his heart do not believe him; he was born hard-hearted.

In order to show your grandeur don't reduce your fellow being.

Be hammer or anvil.

Beat or beaten.

That what people imagine to have makes them happier than that they own.

The true gauge of a man's worth is the envy of his fellow-men.

James A. Stewart, of Wichita, Kan., was sentenced to seventeen years and four months in the county jail and fined $20,080, with costs of prosecution, for violation of the prohibition law. He was a clerk in the West End drug store, and pleaded guilty to an indictment containing 2800 counts at tge same time as did Herman, the proprietor of the place. The latter cannot be found, and it is thought that he has left the country. The punishment imposed upon Stewart is the heaviest ever given in that State for violation of the liquor laws.

A Woman With a Level Head.

"I have always had an idea," remarked a young lady yesterday, "that a truer friendship exists among men than among women. It is just possible I am wrong, but I have got it into my head that a man's sense of honor will not allow him to say anything derogatory of an absent friend, and that he will not take any advantage of a friend behind his back. I like to see the spirit exhibited of talking well of the absent. It shows a nobleness of mind. It is the basis of true friendship."

Since 1790 there have been twenty Governors of Pennsylvania. Of these eleven were lawyers, two printers; one Lutheran minister, one a tanner, one civil engineer, one a farmer, one an iron manufacturer and two were merchants. Only six of these are living, to wit: Pollock, Curtin, Hartranft, Hoyt, Pattison and Beaver. The Democrats elected eleven of the twenty, the Federalists one; anti-Masons one, Whigs two and the Republicans five.

A preacher was complaining of the listlessness and attention of his congregation, when an old Deacon spoke up and said: "Hungry sheep will look up to the rack, if there is hay in it.

Some visitors went into a store at Portland, kept by a German woman, and called for whisky. She said she could not sell any, and then whispered to one of them, "when you wants viskey you must call for vine, und pinch mit one eye."

A little fellow of four years went to a blacksmith to see his father's horse shod and was watching closely the work of the shoeing. The blacksmith began to pare the horse's hoof, and thinking this wrong the little boy said, earnestly: "My papa don't want his horse made any smaller."

Sold by G. M. Shindel.

A SWINDLER

does not refer possible purchasers to his victims. The Athlophoros Co. gladly refers sufferers from rheumatism, neuralgia, sciatica, nervous or sick headache, kidney and liver complaints to those who *have been* cured of these diseases by Athlophoros, and will furnish names and addresses of many such persons to those desiring them. Athlophoros is the only remedy for these diseases that can stand such a test.

A. L. Thomas, Cuba, N. Y., says: "My son, J. M. Thomas, had been suffering from rheumatism for several months. Athlophoros relieved him of the pain, and reduced the swelling of the joints, and the lameness entirely disappeared. I have seen those having neuralgia cured by taking one dose."

A. Beard, Mt. Kisco, N. Y., says: "I have been troubled for some time with sciatica and rheumatism, brought on by working in a damp place. I could find no remedy in medicine I was using, until I tried a bottle of Athlophoros, which gave me immediate relief."

Mrs. Alfred Thurston, 42 North Main Street, Wilkesbarre, Pa., says: "I am not troubled with rheumatism now, since using Athlophoros. I believe, should it in any case fail to relieve and permanently cure, the cause would be that the directions were not faithfully followed."

J. J. Savitz, Nazareth, Pa., says: "I gave two bottles of Athlophoros to my sister, and she has entirely recovered. She was afflicted with inflammatory rheumatism and St. Vitus' dance, and although we had two of the best doctors, she gradually grew worse. She would scream from pain night and day. I heartily recommend it.

Every druggist should keep Athlophoros and Athlophoros Pills, but where they cannot be bought of the druggist the Athlophoros Co., 112 Wall St., New York, will send either (carriage paid) on receipt of regular price, which is $1.00 per bottle for Athlophoros and 50c. for Pills. 6

For liver and kidney diseases, dyspepsia, indigestion, weakness, nervous debility, diseases of women, constipation, headache, impure blood, &c., Athlophoros Pills are unequaled. 9

A QUESTION ABOUT

Brown's Iron Bitters

ANSWERED.

The question has probably been asked thousands of times: "How can Brown's Iron Bitters cure everything?" Well, it doesn't. But it does cure any disease for which a reputable physician would prescribe IRON. Physicians recognize Iron as the best restorative agent known to the profession, and inquiry of any leading chemical firm will substantiate the assertion that there are more preparations of iron than of any other substance used in medicine. This shows conclusively that iron is acknowledged to be the most important fact or in successful medical practice. It is, however, a remarkable fact, that prior to the discovery of BROWN'S IRON BITTERS no perfectly satisfactory iron combination had ever been found. BROWN'S IRON BITTERS does not injure the teeth, cause headache, or produce constipation—all other iron medicines do. BROWN'S IRON BITTERS cures Indigestion, Biliousness, Weakness, Dyspepsia, Malaria, Chills and Fevers, Tired Feeling, General Debility, Pain in the Side, Back or Limbs, Headache and Neuralgia—for all these ailments Iron is prescribed daily. BROWN'S IRON BITTERS, however does not cure in a minute. Like all other thorough medicines, it acts slowly. When taken by men the first symptom of benefit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active. In women the effect is usually more rapid and marked. The eyes begin at once to brighten; the skin clears up; healthy color comes to the cheeks; nervousness disappears; functional derangements become regular, and if a nursing mother, abundant sustenance is supplied for the child. Remember Brown's Iron Bitters is the ONLY iron medicine that is not injurious. *Physicians and Druggists recommend it.*
