Thursday, Nov. 3, 1887.

IT IS YOUR DUTY TO

VOTE FOR

William B. Hart for State Treasurer. He constitutes the State ticket and his majority will have great weight in the campaign of 1888. Let Old Snyder County roll up her usual six hundred majority on the State ticket, and if the other counties do their duty there will be no uncertain result. The candidate is all that any party or people could ask, and as he represents the Republican party in the State this year we must be on the watch-tower. Remember that the great danger to our party is not Democratic activity but Republican apathy. Turn out and vote!

VOTE FOR

Henry W. Williams for Supreme Judge. Few men are so well known and so universally liked. All sides admit him a man of exceptional legal ability, just and righteous in his decisions as a common pleas judge, kind, considerate, and common as a man. His record has withstood the closest scrutiny of the opposition papers without the slyghtest injury and his election to the supreme bench will be a victory to the law and order loving people of the Commonwealth of Pennsylvania.

VOTE FOR

Samuel A. Watzel for Associate Judge of Snyder county, and you will assist in rolling up the one thousand majority which he is sure to get. Mr. Wetzel's judicial record is unimpeachable and his character as a citizen is immaculate. His services have been a credit not only to himself but to the county, and as it is not a political office, a large majority will be an encouragement to men of his type—the only means the people have to show their appreciation for good men in office.

VOTE FOR

D. Bolender for Sheriff. He will round up the duties of his office creditably to himself, profitably to those with whom the office brings him in contact, and in safety with respect to his bondsmen. The charges of Democratic papers as to his negligence while in office, comes entirely too late to have much effect. Time and space will not permit a revision of his record, and an extra issue would savor too much of circular frauds. Meanwhile the books are open and skeptical parties are invited to look for themselves. Nothing ever was heard of these charges and nobody got scared until an imaginary opportunity was afforded to defeat him for Sheriff hence this sudden and evidently uncalled-for commotion. Mr. Bolender was nominated by the republicans of Snyder county and he is entitled to the party's vote, and therefore, sould be elected.

VOTE FOR

Charles C. Seebold for County Treasurer. He is a man that is esteemed by all—irrespective of party for his business capacity and integrity, and his peculiar fitness for this important trust which brings him in contact, in a business way, with Democrats and Republicans alike. It will be a pleasure for our people to transact business with him, and the finances of the county are sure to be properly taken care of. He has been a faithful and consistent republican and hence deserves the party's full vote and a triumphant election.

VOTE FOR

Samuel B. Walter and Daniel Beaver for Commissioners. They are honest, upright men who will manage the affairs of the county economically and on sound business principles. Before the Commissioners the people bring their grievances and wrongs to be righted—hence they should be patient, saciable, and competent business men, and such they are. Their election is certain—only one man being nominated by the Democrats, but it is a matter of honor to give them the full party vote. Both being farmers, with much depending on them, they will find it difficult to see all of their friends before the election—and those whom they have not visited personally must not censure them Give them the benefit of the fall party vote.

VOTE FOR

J. Kohler Peck and John P. Kearns for County Auditors. They are ripe scholars, first-class accountants. Every Democrat in the county could conscientiously vote for them and every Republican will.

VOTE FOR

Dr. George Weiser for Corner. He is a graduate of a first-class Medical College, a successful practitioner of medicine and surgery and very competent to fill this important office.

TO THE PUBLIC.

MIDDLEBURGH, PA., Oct. 30, 1887.

ED. POST.—I read an article in last *Times* without a name; nor moral courage to put his name, to his lame article, being refused by Mr. Lumbard, and seeking refuge in a Democratic paper to injure the friend of the poor, because of an imaginary wrong done him. And I now ask permission from you to put a case in point:

Edward Bassler, Augustus Springman, William Moyer, Prof. D. S. Boyer, George Schnure—

Gentlemen:—I submit to you one case as an illustration.

James W. Knight, use of Sallie E. Knight, vs. F. M. Dock and Daniel S. Boyer. *Vend. Ex.* No. 29, Sep. T., 1875.

The praecipe of H. H. Grimm, addressed to prothonotary Crouse is endorsed and filed in the proper hand-writing of Mr. Crouse. The writ is in the handwriting of A. J. Peters, now dec'd, who was the clerk in the office. This writ by Sheriff Bolender came into the office on Tuesday, the day before Deeds Poll are acknowledged. The Sheriff's return:—"money made, debt, interest paid to Augustus Springman, a lien creditor. So ans.

D. Bolender, Sheriff."

The Deed Poll is on record in the Sheriff's Deed Book, it would be well to have it on record in the office of the Recorder of Deeds. If your title is impaired *your remedy* is against Jeremiah Crouse, who is responsible under his official Bond, for the derelictions of his clerk, A. J. Peters, and himself.

This is taken from the records and only one instance of official negligence on account of want of capacity to fill the office properly, and therefore, Sheriff Bolender must be defeated.

I propose to show to the people of Snyder county that Sheriff Bolender lost more money, because of his leniency and goodness to the poor than any sheriff Snyder county ever had.

I am fully authorized by the public records in saying that not one of our citizens ever lost one cent thro' his official miscounts. We are prepared to show this by the records which are public property, and I will if permitted by the officer in charge of your office, without cost or expense, show you the records. We wish this proposition accepted.

Respectfully,
J. H. ARNOLD,
(Clerk in the Proth'y office for 25 y'rs)

N. B.—I accept any *challenge* to to examine the records.

AN ACT

SECTION 1. *Be it enacted, &c.*, That the seventh section of the act of the General Assembly, entitled 'An act for the limitation of actions to be brought for the inheritance or possession of real property or upon penal acts of Assembly,' approved the twenty-sixth day of March, Anno Domini one thousand eight hundred and eighty-five, which reads as follows:

'SECTION 7. And be it further enacted by the authority aforesaid that no deed, grant, conveyance or assurance, heretofore given by any sheriff of any of the counties within this State, bona fide and for a valuable consideration, or any lands, tenements, or hereditaments whatsoever, where quiet and peacable possession hath been had of the same for the space of six years shall be adjudged or taken to be defective, avoided or prejudiced for not producing in court upon trial or otherwise, any writ of fieri facias, levari facias, or venditoni exponas, or any returns thereupon, or, for want of proof, that due and legal notice of the sales of the same was given, or for not having been recorded in the office for recording of deeds,' be, and the same is hereby amended so that the same shall read as follows:

SECTION 7. No deed, grant, conveyance or assurance, heretofore or hereafter given by any sheriff or coroner of any of the counties within this State, bona fide and for a valuable consideration, of any lands, tenements, or hereditaments whatsoever, where quiet and peaceful possession hath been had of the same for the space of six years, shall be adjudged or taken to be defective, avoided or prejudiced for not producing in court upon trial or otherwise any writ of fieri facias, levari, or venditoni exponas, or any returns thereupon or for want of proof that due and legal notice of the sales of the same was given, or for not having been recorded in the proper office for recording such deeds, and any judgement shall be prima facia evidence of the regularity of the publication of any original or other writ upon which such judgment is founded where quiet and peaceable possession hath been had for the space of six years under a deed, grant or conveyance in pursuance of proceedings thereon.

APPOVED—The 8th day of July, A. D. 1885.

ROBT E. PATTISON.

To the Public

I am informed that Ex-sheriff Bolender is trying to put the blame of his official delinquencies upon me, and is telling people that he returned all his writs and that I failed to record them.

His statements are false. I always, while in office, had sheriff's returns to writs of execution recorded on the execution docket, as required by law. Sheriff Bolender is now hawking around the country a certified copy of an incorrect return he made during his second term to a *Vend. ex.* on which the Dock property in Freeburg was sold, together with the corresponding docket entry. The return reads thus: "Money made, debt interest paid to Augustus Springman, a lien creditor," which, in fact, is no return. It should have been, "Lands levied and sold to D. S. Boyer for $—," which would have been correct. "Honey" Arnold made the return on the Docket, "Money made," so if their is a mistake it lays between "Honey" Arnold and Ex-sheriff Bolender. The whole mistake is the sheriff's improper return.

I have been taking no active part in this campaign up to this time, but I will not suffer Sheriff Bolender or any one else to lay his official negligence at my door. If the public wish to know where a large pile of Sheriff Boldnder's unreturned writs are, let them go to the vault, desk and table drawers in the Sheriff's office and they will not be long in finding them.

A list of ninety-eight (98) writs left in the office when Sheriff Eisenhart took possession is now in my possession—in the hand-writing of John H Arnold, made out in the presence of several witnesses. Most of these writs were afterwards returned through my instrumentality.

For many narcturned writs of his last term of office see Sheriff's office.

JERE. CROUSE,
Late Prothonotary.

The petition to the Governor of Kansas for clemency in the case of the druggist's clerk who was sentenced to seventeen years' imprisonment and $20,000 fine for selling liquor was successful, and the term has been reduced to six months.
