Potter county has not had a licensed hotel within its borders for twenty or more years, it is the only county in the State that did not give the Prohibition ticket a single vote. The people of that staunch temperance county do not seem to take much stock in Prohibition third party of this State. This, however, is very much the case with all real temperance men; they are in favor of restraining the sale of liquor and preventing its manufacture although, but can only hope to do this by educating public sentiment. The temperance people of Potter have done this faithfully and well.

CHICAGO THE CHOICE

WASHINGTON, Dec 10 .- The next Republican National Convention will be beld in Chicago, June 19. The National Committee so decided Thurs day of last week on the 3rd ballot. The result is not considered to have any prophetic significance or to be due to the influence of any presidential candidate. William Penn had probably as much to do with the result as any body who did not vote in the committee. If he had found it convenient to locate Philadelphia are hundreds of tame gray squirrels at some point further West'it might and pigeons. As in New Orleans, have got the Convention.
