INNOCENSE ABROAD .- The editor of the Post was in New York last week, and in the absence of other local matter we will give a brief description of our adventures in Coth-

We left here Wednesday morning olis of America, alone, with not an risk our life on it. acquaintance in the town of 1,400,000 his friend :

"John des mus an licht Sei." Then after a little spell of silence, which made an earnest endeavor to and overcome by the spectacle boots, and soon after Mr. Haas killed humanity that passed before him,

> "Won des an leicht is don is es over an gowlishey grosse."

We then hunted the Grand Central Hotel, and paid \$2.75 for supper, lodging and breakfast, just as though it was an every day occurrence with us, and we doubt if any one of the diamond(†) bedecked clerks suspected Bob how do you like your first less that the amount was half of our pile. The clerk asked us, "Won't you have dinner?" We looked at our watch and found it indicating 6:15 p. m., a and a sudden impulse almost caused us to ask him if he thought we look-The butchers are honest in the ed green. A suddener impulse however, seized us not to, and we said we didn't care what he called it, but we wanted something to eat.

In our extremity we hunted up the address of Frank Glass, formerly of Freeburg, whose number we found after considerable difficulty, but were that "Mr. Glass is out, sah." So we didn't get to see him.

In the morning we went about our business, but found the places we or address wanted to visit closed until after nine o'clock, which made us wish, for the first time that we lived in New York. While thus waiting we had an adventure with a bunco man-an adventure we often wished for, and now we had it-but like when you are hunting for hear v-

pearance both surprises and scares you. He came, hands as soft and white as a woman's, gentle in conversation and winning in manner. We told him he was mistaken in us, that Beaver Springs.

hoe & Goss' store house a coat of paint which makes it look bright and ding anniversary, the 'clover wedding' upon the fourth year of matrimony. The gifts are four-leaved tables, screens, glass dishes, port-folios frames and other work in the same building on Wednesday, and his work the form of Manual Courter of Montreal, Canada. "Beg pardon, Sir. I see my mistake now. Good morning," he said, politely. Throb-bling with expectation we now waited for his pal, who turned up at the same building on the form of Montreal, Canada. "Beg pardon, Sir. I see my mistake now. Good morning," he said, politely. Throb-bling with expectation we now waited for his pal, who turned up at the same building on the folios frames and other work in the same building on Wednesday, and his work the fact of the Orphans' Courte of Mimin and Snyder counties, the undersign of Montreal, Canada. "Beg pardon, Sir. I see my mistake now. Good morning," he said, politely. Throb-bling with expectation we now waited for his pal, who turned up at the same building on the folios frames and other works. he didn't shake the hand of Mr. Smith for his pal, who turned up at the next
