Should have Ayer's Cherry Pectoral. It saves thousands of lives annually, and is peculiarly efficacious in **Croup, Whooping Cough,** and **Sore Throat.**

"After an extensive practice of nearly one-third of a century, Ayer's Cherry Pectoral is my cure for recent colds and coughs. I prescribe it, and believe it to be the very best expectorant now offered to the people."—Dr. John C. Levis, Druggist, West Bridgewater, Pa.

"Some years ago Ayer's Cherry Pectoral cured me of asthma after the best medical skill had failed to give me relief. A few weeks since, being again a little troubled with the disease, I was promptly

Relieved By

the same remedy. I gladly offer this testimony for the benefit of all similarly afflicted."—F. H. Hassler, Editor *Argus*, Table Rock, Nebr.

"For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it, also, invaluable in cases of whooping cough."—Ann Lovejoy, 1251 Washington street, Boston, Mass.

"Ayer's Cherry Pectoral has proved remarkably effective in croup and is invaluable as a family medicine."—D. M. Bryant, Chicopee Falls, Mass.

LOWELL.—For a good plate of oysters go to Ulsh's store. The counter jumper of McClure says they are hard to beat. He has to have his plate every night before retiring.

In Billy Koch's absence work goes on about the same, as he has left two good workmen in his place, W. Treaster and Elias Baumgardner.

At this writing "Nace" Manbeck is improving rapidly from the effects of injury received by the colt running away. So the fair sex found out in calling to see for themselves.

Bob, your potato story is not very hard to beat, as we have a great many potatoes in our town that weighed one ton, one hundred and thirteen and a half pounds.

Harry Fisher shot two wild turkeys the other day. He bagged a five dollar bill for them.

It is reported that the Institute was well attended and passed off as usual with the exception of some few who behaved as if they were at a corn-husking. Be more careful in the future.

Levi, the auctioneer of McClure had quite a good time the other evening disposing of some of his heavy gold chains.

The young ladies of McClure have adopted a new way for leaving their gallants in the rear. They leave their wraps, &c., lay, and go home before church is dismissed to throw him off their track. What naughty girls.

The church at McClure is well attended by our young men, but it seems that it is kept in rather late as they do not get home until it is time for breakfast. Perhaps they were with their oh, well, U. No.

CENTREVIPLE.—Thanksgiving Day passed here like the average day—quietly or comparitively so. No religious services were held. Our people had to do their thanksgiving in their own individual capacity. A few had their tables spread with the national bird stuffed with dainties, as their thanks, while the poor or unlucky who had no turkey, ate with a relish what they had, and gave thanks all the same.

Mrs. Ida Bossler of Abdane, Kansas is here on a visit amongst her many friends.

The school children had a good time of it last week. The teachers were attending Institute at Middleburgh and the children had a vacation.

Mr. J. Melvin Hartman, bright and handsome, came down from Williamsport on Thanksgiving morning to help devour a turkey, and also to see his best girl.

Miss Nora Schambach of Port Trevorton, visited here, the guest of grand-pap Uriah Berger.

If the girls who are still single intend taking advantage of leap year privileges they will have to wake up, for only a few weeks remain in which to catch husbands. After Jan. 1, free trade on the part of the females ceases, and protection to the males begins. In other words, leap year will be over, and no longer will the girls be privileged to do the poping.

The little folks are counting the days yet remaining until Merry Christmas.

Protracted meetings are in progress in the Evangelical church to be continued until otherwise announced. All are cordially invited to attend. R.

Bucklin's Arnica Salve.

The Best Salve in the world for **Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns,** and all **Skin Eruptions,** and positively cures **Piles,** or no pay required. It is guaranteed to give **perfect satisfaction,** or **money refunded.** Price 25 cents per box at G. M. Shindel's Drug Store.

A WOMAN'S DISCOVERY.—"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name Mrs. Luther Lutz." Thus write W. C. Hamrick and Co., of Shelby, N. C.—Get a free trial bottle at G. M. Shindel's Drug Store.

For First Place

A great amount of political engineering will be done by friends of candidates to secure for their man the first place on the tickets, and the last man will probably secure the second place. Then if indorsed by the majority of the people, the election is assured. Electric Bitters has been put to the front, its merits passed upon, has been endorsed, and naturally given the first place, among remedies peculiarly adapted to the relief and cure of all Diseases of Kidneys, Liver and Stomach. Price 50c. and $1 per bottle at G. M. Shindel's drug store

MASON & HAMLIN

The cabinet organ was introduced in its present form by Mason & Hamlin in 1861. Other makers followed in the manufacture of these instruments, but the Mason & Hamlin Organs have always maintained their supremacy as the best in the world.

Mason & Hamlin offer, as demonstration of the unequalled excellence of their organs, the fact that at all of the great World's Exhibitions, since that of Paris, 1867, in competition with best makers of all countries, they have invariably taken the highest honors. Illustrated catalogues $22 TO $900. free.

ORGANS

Mason & Hamlin do not hesitate to make the extraordinary claim for their pianos, that they are superior to all others. They recognize the high excellence achieved by other leading makers in the art of piano building, but still claim superiority. This they attribute solely to the remarkable improvement introduced by them in the year 1882, and now have in the "MASON & HAMLIN PIANO STRINGER" the use of which secures the greatest possible refinement of tone, with greatly increased durability, together with several other important advantages.

PIANOS

A catalogue containing testimonials from the most noted purchasers, musicians, and tuners, with descriptive catalogue, to any one of whom rescued, and Organs sold for cash or easy body gave also rented.
