The Sentence of Jesus.

A COPY OF THE ORIGINAL DECREE AS ISSUED BY PONTIUS PILATE.

From The London Times.

A correspondent of Notes and Queries extracts from the Klonische Zeitung what is called "a correct transcript of the sentence of death pronounced against Jesus Christ." The following is a copy of the most memorable judicial sentence which has ever been pronounced in the annals of the world, namely, that of death against the Savior, with the remarks that the journal Le Droit has collected, the knowledge of which must be interesting in the highest degree to every Christian. Until now we are not aware that it has ever been made public in the German papers. The sentence is word for word as follows:

"Sentence pronounced by Pontius Pilate, Intendant of the Province of Lower Galilee, that Jesus, of Nazareth, shall suffer death by the cross. In the seventeenth year of the reign of the Emperor Tiberius, and on the 25th of the month of March, in the most holy city of Jerusalem, during the Pontificate of Annas and Camphas. Pontius Pilate, Intendant of the Province of Lower Galilee, sitting in judgment in the presidential seat of the Prætors, sentences Jesus Christ, of Nazareth, to death on a cross between two robbers, as the numerous and notorious testimonials of the people prove; 1. Jesus is a misleader. 2. He has excited the people to sedition. 3. He is an enemy to the laws. 4. He calls himself the Son God. 5. He calls himself falsely the King of Israel. 6. He went into the Temple, followed by a multitute carrving palms in their hands. Orders: The first centurion, Quintus Cornelius, to bring him to the place of execution, forbids all persons, rich or poor, to prevent the execution of Jesus. The witnesses who have signed the execution against Jesus are.: 1. Daniel Robani, Pharisee; 2, John Zorobabel; 3. Raphael Robani; 4. Capet Jesus to be taken out of Jerusalem through the gate of Tournea."

The sentence is engraved on a plate of brass in the Hebrew language, and on its sides are the following words: "A similar plate has been sent to each tribe." It was discovered in the year 1280 in the city of Aquill (Aquilla?) in the Kingdom of Naples, by a search made for the discovery of Roman antiquities, remained there until it found by the Commissaries of Art in the French Army of Italy. Up to the time of the campaign in southern Italy it was preserved in the sacristy of the Carthusians, near Naples, where it was kept in a box of ebony. Since then the relic has been kept in the chapel of Caserta.

The Carthusians obtained it by their petitions that the plate might be kept by them, which was an acknowledgement of the sacrifices which they made for the French army. The French translation was made literally by members of the Commission of Arts. Denon had a fac-simile of the plate engraved, which was bought by Lord Howard on the sale of his cabinet for 2,890 frances. There seems to be no historical doubt as to the authenticity of this. The reasons of the sentence correspond exactly with those of the Gospels.

Rupture cure guaranteed by Dr. J B. Mayer, 831 Arch St., Phil'a Pa. Ease at once, no operation or buisness delay. Thousands cured. S.for circular. tf.

CATARRH,

Catarrhal Deafness and Hay Fever.

A NEW HOME TREATMENT.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two weeks. N. B.—For catarrhal discharges peculiar to females (whites) this remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. DIXON & SON, 304 West King St., Toronto, Canada.—*Scientific American.*

Sufferers from catarrhal troubles should read the above carefully.

Is Consumption Incurable.

Read the following: Mr. C. H Morris, Newark, Ark., says: "Was down with Abscess of Lungs, and friends and physicians pronounced me an Incurable Consumptive. Began taking Dr. King's New Discovery for Consumption, am now on my third bottle, and able to oversee the work on my farm. It is the finest medicine ever made."

Jesse Middlewart, Decatur, Ohio, says: "Had it not been for Dr. King's New Discovery for Consumption I would have died of Lung Troubles. Was given up by doctors. Am now in best of health." Try it. Sample bottles free at G. M. Shindel's Drug store.

MASON & HAMLIN

The cabinet organ was introduced in its present form by Mason & Hamlin in 1861. Other makers followed in the manufacture of these instruments, but the Mason & Hamlin Organs have always maintained their supremacy as the best in the world.

Mason & Hamlin offer, as demonstration of the unequalled excellence of their orgins, the fact that at all of the great World's Exhibitions, since that of Paris, 1867, in competition with best makers of all countries, they have invariably taken the highest honors. Illustrated catalogues ORGANS $22 TO $900. free.

Mason & Hamlin do not hesitate to make the extraordinary claim for their pianos, that they are superior to all others. They recognize the high excellence achieved by other leading makers in the art of piano building, but still claim superiority. This they attribute solely to the remarkable improvement introduced by them in the year 1882, and now known as the "MASON & HAMLIN PIANO STRINGER," by the use of which is secured the greatest possible purity and refinement of PIANOS tone, together with greatly increased capacity for standing GRAND & UPRIGHT. in tune and other important advantages.

A circular, containing testimonials from three hundred purchasers, musicians, and tuners, sent, together with descriptive catalogue, to any applicant.
