Hospital Remedies,

What are they? The growth of intelligence in nedical matters has given rise to a demand for What are they? The growth of intelligence in medical matters has given rise to a demand for a class of genuine, reflable medicines. The opcortunity of the ignorant quack, who grew rich during everything out of a single bottle has passed. To supply satisfactorily this demand this list of remedies has been created. They are the favorite prescriptions of the most famous medical practitioners of the day, gathered from the hospitals of London, Paris Berlin and Vienna. Prescriptions which cost the patients of these specialists from £5 to \$100, are here offered prepared and ready for use, at the nominal price of one dollar each. Not one of them is a cure all: each one has only the reasonable power of curing a sing discase and each one keeps its contract. Sufferers from Catarrit, Discassed Lungs, Bronchits. Asthma, Consumption, Rheumatism, Dyspepsus. Liver and Kidney Complaints, Fever and Ague, Neuralgia. Female Weakness, Leucorrincea, or Nervous Debility, should send stamp for descriptive catalogue to Hospital Remedy Co., No. 304by West King St., Toronto, Canada, if your druggist does not keep these remedies remit price and we will send direct free of duty.
