### Chesnutt's Rum Flood!

The flood of water on June 1 came by the permistive hand of the Crea-tor, but the rum flood of June 18 was cause (says Chairman Palmer) by the combined villany of the political ma-chines of the democratic and republican parties and their rum-bought press in the cities. Providence per-mitted one flood; the devil, salcon-men and politicians demanded the other. The 1st. of June flood made homeless thousands of people, but the flood of June 18 shall flow on a little longer, destroying yearly 75,000 souls and \$10,000,000, until the 300,000 prohibitionists of Pennsylvania heed the bulge call to march in the victhe bulge call to march in the victorious prohibition party army—marching in manly independence, away from the sloven of rum-ruled politicians and parties. Then, and then only, shall the defiant rum power cease to be master and become the obedient servant of law, order and sobriety. Prohibition defeated! They are here again—the Bargains!—and the rush for them is unprecedented. Farmers who come for a pair of Plow Shoes, and get them for one dollar, go home and tell their neighbors, they come, buy, go home and tell the rest, and so as the days of the month increase the trade multiplies.
