

### Chesnutt's Rum Flood!

The flood of water on June 1 came by the permissive hand of the Creator, but the rum flood of June 18 was caused (says Chairman Palmer) by the combined villainy of the political machines of the democratic and republican parties and their run-bought press in the cities. Providence permitted one flood; the devil, saloonmen and politicians demanded the other. The 1st of June flood made homeless thousands of people, but the flood of June 18 shall flow on a little longer, destroying yearly 75,000 souls and \$90,000,000, until the 300,000 prohibitionists of Pennsylvania heed the bulge call to march in the victorious prohibition party army—marching in manly independence, away from the sloven of run-rules politicians and parties. Then, and then only, shall the defiant rum power cease to be master and become the obedient servant of law, order and sobriety. Prohibition defeated! Not the principle, for its supporters know no defeat; but the method or plan of getting it alone suffers defeat.

From the result of floods and rainy weather the dry goods business has suffered, and June, the best month of the year, has been changed to the worst. I know no despair, and now want to make the dull season of July and August roll up big sales, if possible; even more than any month before. No time now for rest and vacation. Accept what I spent in the flood and mud. How will I do it? Listen, I'll tell you. By beginning this week to sell from my entire stock, from every department, dry goods, carpets, oil cloths, notions, trunks, etc., at such unheard of low prices that will draw the housewife from her washing and baking, the laborer from his forge, the farmer from his harvest and the student from her parlor, to buy these goods, that will positively be only sold at these prices in July and August, so don't come on the 1st day of September expecting them, or you will be disappointed. Although this is true, remember, on the 1st day of September I shall continue to serve you at prices still below all others.

Have space and time only now to give you a few prices in each line to convince you I mean business: Fine bedroom carpet, 97 cents a yard, was 25 cents—\$1.00 covers the whole room; Blue 25 cent flowered carpet, over a yard wide, 19 cents; best all wool 99 cent for 65 cents, best 65 cent for 49 cents, 49 cent rag for 39 cents, heavy rag for 24 cents, 10 cent nap calico for 9 cents, 14 cent cotton for 10 cents, yard-wide muslin, good, for 5 cents, lawn for 2 cents, 8c blue calico for 6c, best black figured for 6c, red table linen for 24 cents, 25c white for 19 cents, 65c bleached for 49c, good ticking for 10c, 25c pants stuff for 15c, 20c for 13c, 15c for 11c, heavy shirting for 7c, overalls for 4c, pants for 7c, 65c white shirt for 48c, pure linen for 60c, summer flannel for 44 cents, gents' suspenders for 12 and 14c, 10c collars for 9c, good hose for 5c, 10c for 7c, 5 gents' silk finished handkerchiefs for 25c, 35c oil cloth, 14 yards wide, for 24c, 2 yards wide for 48c, 75c silk plush for 49c, 25c fall and spring dress cloth for 19c, yard wide white henrietta cloth for 24c, black or all colors; yard wide all wove black henrietta cashmere for 38c, 60c for 49c, 85c for 68c, 95c for 79c, 14 yards wide for 75c, summer silks for 40c a yard, \$1.50 white silk for \$1.24, 12c dress gingham for 7 and 8c, 15c white dress lawn for 10c, 20c for 14c, satens for 7c, 25c for 15c, big trunks for \$1.19, size smaller for 79c, lead pencils 12 for 5c, pins 3c a paper, best needles 25 for 4c, machine thread 2c, napkins 21c a dozen, 90c a window for lace curtains, poles and fixtures complete, gold-handle umbrellas for 99c.
