The Old Doctors

Drew blood, modern doctors cleanse it; hence the increased demand for Alteratives. It is now well known that most diseases are due, not to over-abundance, but to impurity, of the Blood; and it is equally well attested that no blood medicine is so efficacious as Ayer's Sarsaparilla.

"One of my children had a large sore break out on the leg. We applied simple remedies, for a while, thinking the sore would shortly heal. But it grew worse. We sought medical advice, and were told that an alterative medicine was necessary. Ayer's Sarsaparilla being

Recommended

above all others, we used it with marvelous results. The sore healed and health and strength rapidly returned." — J. J. Armstrong, Weimar, Texas.

"I find Ayer's Sarsaparilla to be an admirable remedy for the cure of blood diseases. I prescribe it, and it does the work every time." — E. L. Pater, M. D., Manhattan, Kansas.

"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier." — W. T. McLean, Druggist, Augusta, Ohio.

"Ayer's medicines continue to be the standard remedies in spite of all competition." — T. W. Richmond, Bear Lake, Mich.

CARTER'S LITTLE LIVER PILLS.

CURE

Sick Headache and relieve all the troubles incident to a bilious state of the system, such as Dizziness, Nausea, Drowsiness, Distress after eating, Pain in the Side, &c. While their most remarkable success has been shown in curing

SICK

Headache, yet CARTER'S LITTLE LIVER PILLS are equally valuable in Constipation, curing and preventing this annoying complaint, while they also correct all disorders of the stomach, stimulate the liver and regulate the bowels. Even if they only cured

HEAD

Ache they would be almost priceless to those who suffer from this distressing complaint; but fortunately their goodness does not end here, and those who once try them will find these little pills valuable in so many ways that they will not be willing to do without them. But after all sick head

ACHE

is the bane of so many lives that here is where we make our great boast. Our pills cure it while others do not.

CARTER'S LITTLE LIVER PILLS are very small and very easy to take. One or two pills make a dose. They are strictly vegetable and do not gripe or purge, but by their gentle action please all who use them. In vials at 25 cents; five for $1. Sold everywhere, or sent by mail.

Democratic Delegate Election

For the benefit of our Democratic readers we publish Chairman Snyder's notice to the Democratic voters of Snyder county who are requested to meet at their usual and respective places of holding their Delegate Election, on Satuday, August 17, 1889, between the hours of 5 and 7 o'clock, p. m., and elect in each district as many delegates as they are entitled to, said delegates to meet in County Convention at Middleburgh, on Monday, August 19, 1889, at 10 o'clock, a. m., for the purpose of nominating one person for County Surveyor, and electing one person as member of the State Committee, one person as delegate to the State Convention, one person as Chairman of County Committee, and transacting such business as may properly come before said convention.

The following are the number of delegates each district is entitled to according to the number of votes polled at our last Presidential election:

Adams 2, Beaver 2, Beaver West 2, Centre 2, Chapman 4, Franklin 2, Jackson 3, Middleburgh 2, Middlecreek 3, Monroe 3, Penn 3, Perry West 3, Selinsgrove 3, Spring 3, Washington 4, Perry 4.

H. A. KLINGLER, Secretary. WM. H. SNYDER, Chairman.

New Connection for Bedford Springs via Pennsylvania Railroad.

For the benefit of visitors to Bedford Springs, the Pennsylvania Railroad Company announces that the Mail Express leaving Pittsburgh at 1.00 P. M. will connect through to Bedford on week-days, reaching that point at an early hour of the evening.

This arrangement greatly improves the service to this very popular resort, as residents of towns along the line of the road can leave home after dinner and arrive at Bedford for supper.

The Oldest Persons Living.

Is human life really lengthening? Near Washington C. H., in Ohio, lives Margaret Arnold, a woman 112 years old. She was born near Richmond, Va., the year after the Declaration of Independence was signed. She smoked a pipe for seventy years and then gave it up, because she could not smoke any more, for some reason. She is a little old woman, five feet two inches in height and weighs 110 pounds. Mrs. Arnold eats whatever she likes and never was ill in her life. She has been a widow fifty years, which is a good while, certainly, and Mrs. Arnold would merit the sincere approbation of St. Paul. Her last work was done three years ago, when she knit a pair of stockings. The way to keep young is to keep working.

The old lady has three sisters and a brother, all over 100. One sister is 115. Their ages are as follows:

Elizabeth Hillard	115
Margaret Arnold	112
Susan Bailey	109
William Keiser	104
Total number of years	440
Average age	110

But the oldest person now living is probably a mulatto man in Lynn, Mass. Of course there are no documents to back up his claim, but as nearly as can be judged by circumstances he is as old as he represents himself to be—125 years. His name is William Roach, and he was born in Nova Scotia. He remembers the Boston tea party, he says. He heard the people of Annapolis, N. S., talking of it. Roach spent many years of his life on the sea. He bought a little cottage in Lynn with his earnings. This he promised to deed to Robert Brown, a hale colored man of 38, if Brown would take care of him the rest of his life. That was twenty-two years ago. Brown is now 60 years old himself and shows signs of getting old, but old Roach is still as spry as a cricket and does not weaken in the least. Mentally and physically he is in as good condition as ordinary men at seventy. His hair hangs in long black ringlets to his shoulders. Roach can neither read nor write, therefore has no need for spectacles. Since he was 15 he has been a tobacco chewer. How much older he might have been if he had never used tobacco, Mrs. Partington alone would be able to tell.

The most interesting aged person now living, however, is probably Nagy Ferentez a soldier of the wars of Napoleon, 121 years old. He is a Hungarian peasant, resident at Bares, and his birth is duly recorded and certified.

Like old Roach, Nagy Ferentez cannot read or write, but his memory is, therefore, all the keener, his tongue all the glibber. He can tell personal anecdotes of many distinguished people who lived 100 years ago. The event of which he speaks with the deepest reverence was the burial of his beloved sovereign, the great empress-queen, Maria Theresa. He was present in person at her funeral, which occurred in 1780. He has all his wits about him, and is constantly on his feet, visiting a round of friends.

Nagy is certainly the oldest old bachelor now living, never having been married. How much experience he has missed, to be sure!

The Champion Oration.

They had an old-fashioned Fourth of July celebration at Monteagle, Tenn., and Dr. O. P. Fitzgerald, who was the orator of the day, let the eagle loose in the following manner:

"Soar high proud bird of freedom! No longer crippled by sectionalism, let both wings move with simultaneous beatings upon the air, not a feather soiled by political corruption, his flight widening until from his out-stretched pinions dipped in the fountain of freedom, the nations of the earth shall be sprinkled with the dews of liberty! Let the star-spangled banner float in freedom from a million flagstaffs: let the eagle bird of liberty scream and flap its mighty wings. Let Young America shout within the limits of the Constitution, the resolutions of '88—'86 and the Fifteenth Amendment; let everybody do as he pleases, to-day, Hurrah for liberty! Hurrah for America, every inch of it! Hurrah for Monteagle! Hurrah for the new eagle, which is the spread eagle, which like the angle in Apocalyptic vision flying in the midst of heaven, preaches the glad gospel of liberty unto them that dwell on earth, and to every nation and kindred, and tongue and people!"

MANHOOD

How Lost, How Restored!

Just published, a new edition of

Dr. Culverwell's Celebrated Essay

on the radical cure of Spermatorrhœa or incapacity induced by excess or early indiscretion. The celebrated author, in this admirable essay clearly demonstrates from a thirty years' successful practice, that the alarming conseques of error may be radically cured; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
