FOR STATE TREASURER
HON. HENRY KLINE BOYER,
OF PHILADELPHIA.
FOR COUNTY SURVEYOR
JAMES MIDDLESWORTH,
OF ADAMS TOWNSHIP.

PAXTONVILLE.—MISS CURTY Swengel, John R. Swengel and Charles Derr are attending school at New Berlin.

Wilson Gift, who has been in Sunbury for some time learning the painting trade returned home last week.

Our festival was fairly attended on Saturday evening. The conduct of the young people was especially commendable. Everything was quiet and peaceable as it should be. It is generally that way when whiskey is absent.

Foster Gift left for Bloomsburg State Normal School on Monday.

John Weirich and Nelson Bordman, two of our young men, left for Pittsburg where they are employed by the P. R. R. Co.

The Paxtonville bridge will be finished this week.

There was a very peaceable racket up town the other evening. The bombardment brought first the lady of the house to the front door, then the father. They both scolded and threatened at empty nothingness in the dark. The parties, however, were discovered hiding behind the fence and were left go unpunished with the exception of a promise of a good switching.

CLAIRE.

LOWELL.—A good rain is very much needed at this writing. The encampment at Wagners was poorly attended.

A. A. Romig is still confined to his bed. Hope he may soon recover.

Boys, you should not take advantage of the grapes in the absence of the family. Jacob will give you all you can eat when they are ripe.

J. J. Mattern reports having a good time at the Grange Picnic. Much more to be seen than last year.

The corn is apparently drying up on the stalk. Mildew seems to be the cause.

Some farmers have been sowing, but report it too dry to finish.

Bob, of Mifflin county, has turned out to be a "mule-whacker", as he was seen on our streets with a load of wheat going to market. Perhaps he wants to develop his muscles for the coming winter, as he intends to use it on some of his scholars who disobey his rules.

The "Merry-go-round" was not so well patronized at the Hall on Saturday evening as it had been heretofore. It is getting to be too old a thing.

U. No.

Tanner on Pensions.

From Pension Commissioner Tanner's Chataqua speech.

We hear a great deal about the pension roll. We have one that costs the Government \$90,000,000. There will be more next year. (Up- roarious applause.) You must remember that these are all within the clearly defined law. The Commissioner will sit up nights, as he has done for months, not to bestow charity but to do justice. Where does the money go? It keeps. It supplies in the body politic what the blood in the veins of the heart does in the body. One little thing comes to my mind. Billy Moore's pension under the late administration had been stopped and his name stricken from the roll. I put it back and I dated it back to the day when it stopped. There's so much more of that surplus gone.

For twenty years I have stood before the people trying to have justice done to the soldier. In the later days some little power has come, and I thank God that I can, without scientific knowledge, transmit some of the coin of the Republic into God's golden sunshine and send it streaming to the homes of the suffering.

Your home College is prepared to
do as good work as any College in
the State. Read its advantages:

1. Good teachers, thorough instruction.
2. A healthful location, beautiful scenery.
3. Spacious buildings, large grounds, ample appliances.
4. A large library, open all day.
5. A large Museum used for study.
6. Excellent literary societies.
7. Expenses below the average.
8. A moral, Christian community.
9. Practical instruction in all the sciences.
10. An Astronomical Observatory which is used by the students.
11. Equal advantages to men and women.
12. Free scholarships to aid the needy.
13. A large body of loyal Alumni.
14. A strong denomination to furnish financial support.
15. A faculty ambitious to keep their institution at the head.
16. Students who come to work.
17. The instruction is as thorough as at any college in the Middle States. There is no longer any need of parents sending their children to distant schools. The total value of the University property now approaches half a million dollars (\$500,000.)

All students not prepared for College classes may enter Bucknell Academy, or Bucknell Institute, in which instruction is given in all the branches usually taught in Academies, Seminaries and Normal Schools. Students in these schools have the use of the College Museum, and Library. Special attention paid to those preparing to teach. Practical instruction in Phonography, Telegraphy, Type writing and Book-keeping is offered to all the students. Opens September 12, 1889.
