Revised Game Laws of Pennsylvania.

The season for hunting has arrived and as a great many of our readers are unacquainted with the game laws we publish the following abridgement for their benefit from Smull's Legislative Hand Book for 1889:

No person shall kill or pursue any wild deer, save only between the first of October and the 15th of December of any year under penalty of \$50, nor have in his or her possession or offer for sale, any wild deer or fresh venison, excepting October 1st to December 20th, inclusive.

No person shall catch, kill or disturb wild pigeons while on nesting grounds, under penalty of \$50. No person not a citizen of Pennsylvania may trap or net wild pigeons in any county, unless he shall have first taken out a license from the treasurer of the said county, and paid therefore the sum of \$50, for the use of the county.

No person shall take, for sale, any trout less than five inches long, or fish in any waters, for three years, in which brook

trout have been planted by the fish commissioners, when public notice of said planting has been given, under \$10 penalty.

No person shall catch or kill, save only with rod, hook and line, at any time, and no person shall catch or sell, or have in possession after being killed, any bass, pike, pickerel or Susquehanna salmon, between the first of January and the first of June, under penalty of \$10. It shall be lawful to fish with fyke or hoop-nets in any of the streams uninhabited by brook or speckled trout, during the months of March, April, May, September, October and November. Provided, That the meshes of said net shall not be less than one inch in size, and shall not be placed at the confluence of any wing walls; and if any salmon, bass, trout, pike, pickerel or any kind of fish introduced by the commonwealth in said waters, shall be taken or captured by means aforesaid, they shall be returned alive to the waters whence taken, and any person violating the provisions of this act shall be subject to a penalty of \$25.

It shall not be lawful, at any time to catch fish by means of the drawing of a seine or seines, in any of the waters of this state, under penalty of \$25.

Shad shall not be taken in the Susquehanna or Juniata rivers from sunset on Saturday till sunrise on Monday, during the run of shad, from March 15th to June 25th, or with seines less than four and one half inches to the mesh, under penalty of \$50 and three months' imprisonment.

There shall be no shooting, hunting or fishing on Sunday under penalty of \$25.

A premium of \$2 is to be paid for each wild cat slain, \$10 for every wolf, \$1 for every red or gray fox and twenty-five cents for every mink, payment to be made out of the treasury of the county in which the killing is done.

The New Dog Law.

The Lancaster *New Era* has made the following careful synopsis of the new dog law. It covers the State:

The law provides that from and after its passage, there shall be assessed, levied and collected annually in every township and borough of the Commonwealth from the owners of dogs a tax of fifty cents for every male dog, and one dollar for every female dog, the sum to be collected with the other township taxes.

These sums shall be paid to the treasurer of the board of school directors in the different districts, and shall be kept separate by the treasurer, so that he will know how much has come into his hands from this source. This money shall constitute a fund from which persons sustaining loss or damage to sheep by dogs may be paid for such loss, along with the costs necessarily incurred in establishing their loss.

The assessors of every borough and township shall annually, when making their other assessments, ascertain the number of dogs in their respective districts and the names of the owners, and how many of each sex are owned or kept. The county commissioners shall annually make a true return to the board of school directors of the number of dogs owned therein, together with the owners' names, and the school directors shall cause the tax to be collected in the same manner as and along with the school tax.

Persons who have sustained loss or damage to sheep may make complaint before any justice of the peace, and the latter shall notify the owner of the dog or dogs causing the loss, and if the owner does not appear "as soon as practicable" and pay the loss caused by his dogs, the justice shall

notify the township auditors to appraise the loss sustained by the claimant; they have power to summon witness and investigate the case thoroughly, and shall determine and report to the justice the amount of the damage, if any. The report shall be signed by a majority of the auditors. A section prescribes the manner in which the justice shall then proceed in bringing the matter before the school board. When the latter receives such notification and it appears a loss has been sustained, they shall file the amount of the approved claim with the secretary of the board, including the necessary costs incurred, to be paid out of the fund raised by the tax on dogs.

If the owner of the dogs doing the damage is responsible, then the treasurer of the board shall immediately collect the damages and costs from him, and place the proceeds in the sheep fund. If it shall be found at the close of the current year that the dog tax is not sufficient to pay for losses incurred under the law, then the school board shall pay a pro-rata share to the several claimants; if the funds are sufficient, then the claims shall be paid in full.

All dogs in the State are made personal property and subject of larceny. Justices shall be allowed a fee of fifty cents in every case that comes before them. Owners of dogs causing loss may voluntarily pay the damage without awaiting action. In case there is a surplus in the sheep fund in the hands of the treasurer at the close of the current year amounting to \$100, the same shall be transferred to the school fund of the district for school purposes. The law does not repeal or affect the provisions of any existing special law on the same subject in any county or district. The law is a very important one, not only to farmers, but to all dog owners.

The Retirement of Commissioner Tanner.

The announcement that Corporal Tanner had sent in his resignation as Pension Commissioner to the President was not a surprise to a majority of the people. It was known that the relations existing between Secretary Noble and the Commissioner were such that would certainly bring about such a turn of affairs in the Pension Office. It seems that the most formidable objection raised to the Corporal's administration of the Pension Office was his propensity to do entirely too much talking about what ought to be and would be done, while he was Commissioner. His frequent interviews in regard to the matter of granting pensions were a little out of order and very annoying to the Administration, and to that and the policy he pursued can be attributed his retirement.

Mr. Tanner's administration of the Pension Office was favorable to the soldiers, among whom he was very popular, and many persons charge his retirement to that fact, more than anything else.—No one questioned or doubted the honesty or sincerity of the Corporal, and even the President himself complimented him upon being possessed of such good qualities, yet his official actions were such that were not strictly in harmony with the policy of the Administration, consequently it was thought best that he retire, which he did by sending in his resignation; at the same time expressing his respect for the President and unflinching fidelity to the Republican party. It is not thought the action will affect the President to any considerable extent, though a great deal of dissatisfaction is expressed in Grand Army Circles. Many of the old soldiers will regret to hear of the change in the Pension Office, as they considered that Corporal Tanner was only doing what he thought was just and fair in regard to the granting of pensions, and as a matter of course would rather have seen him retained in the office.
