FOR STATE TREASURER HON. HENRY KLINE BOYER, OF PHILADELPHIA. FOR COUNTY SURVEYOR JAMES MIDDLESWARTH, OF ADAMS TOWNSHIP.

Mr. Henry K. Boyer has accepted nomination upon the Republican platform adopted August 7th, which declares that the Republican Party, has fully and honorably fulfilled its compact in regard to the submission of Prohibition" and which also "heartily indorses the Brooks High License Law, with such amendments as will tend to its proper and progressive improvements. (Prohibitory or permissive improvements, which !) Mr. Boyer agrees with the platform in the assumption that the work of his party in behalf of Prohibition has been fully done. He has never taken an advanced position with regard to prohibitory legislation, except to favor the subthe Constitutional mission of Amendment.

### Get out the Vote.

An off year is generally a danger ous year to the majority party, and more particularly so if the off year follows a Presidential election. This fact ought not to be overlooked by the Republicans of Dauphin

In 1884 the vote for Mr. Blaine in Dauphin county was 9,394; for Mr. Cleveland 6,378. In 1885, the year following, the vote for Mr. Quay for State Treasurer, was 5,758; for Mr. Day 4,267. The Republican loss in votes was a little more than 38 per cent., while the Democratic loss was only 33 per cent.—a difference in favor of the Democrats of 5 per cent.

There is fear that this difference will be even greater this year. The Republicans having been out of power for four years, and just re stored, are disappointed that the offices have not been distributed as promptly as they had reason to expect, and some are disappointed because they were not recognized in of a bouse it is essential that taste is used in the selection of colors. For this reason have contact to take contracts for painting and These things are calculated to increase the number of stay-at-homes this year over those of 1884.

Let the Republicans be warned in time. Let them see to it that every Repulican vote possible is polled. Don't worry about majorities. Get out the vote, and the majorities will take care of themselves. - Harrisburg Telegraph

This can be done by urging your neighbors to vote. That is most that is needed—urge the Republicans to vote.

Any considerable reduction of last fall's Republican majority will be regarded by Democrats as a victory. Deprive them of this satisfaction by doing your duty as a good party man, in getting out the vote.

About the Election.

It ought to be the business of every Republican voter tourge upon his Republican neighbor the duty of going to the polls. In every off-year the Republican vote falls off largely, for the reason that so many think that the 80,000 Republican majority will elect the candidates, and that is all that is needed.

Such, however, is not the fact. Even 80,000 Republican majority will elect the candidates, and that is all that is needed.

Such, however, is not the fact. Even 80,000 majority can be beaten if the stay-at-homes continue to increase their number. Don't forget this.

The State is prosperous. Labor is employed; the farmer has had good crops and fair prices; the man of business, while he has not made large profits, has been steadily prosperous; and the iron industry is in a healty condition, with the promise of continued activity during the winter.

Under these circumstances our candidate, Mr. Boyer, ought to have 60,000 majority.

But this can only be secured by individual effort. Committees, it is true, are appointed. But commit.
