Dye, one of New York's most skillful physicians, shows that pain is not necessary in childbirth, but results from causes easily understood and overcome. It clearly proves that any woman may become a mother without suffering any pain whatever. It also tells how to overcome and prevent morning sickness, swollen limbs, and all other evils attending pregnancy. It is reliable and highly endorsed by physicians everywhere as the wife's true private companion. Cut this out: it will save you great pain, and possibly your life. HAVE YOU READ The Philadelphia Times THIS MORNING?

THE TIMES is the most extensively circulated and widely read newspaper published in Pennsylvania. Its discussion of public men and public measures is in the interest of public integrity, honest government and prosperous industry, and it knows no party or personal prejudice in treating public issues. In the broadest and best sense a family and general newspaper.

THE NEWS OF THE WORLD.—"The Times" has all the facilities of advanced journalism for gathering news from all the quarters of the globe, in addition to that of the Associated Press, now covering the whole world in its scope, making it the perfection of a newspaper, with every thing carefully edited to occupy the smallest space.

THE SUNDAY EDITION is not only a complete newspaper, but a Magazine of Popular Literature. Its sixteen large pages, clearly printed and attractively illustrated, contain as much good literature, by the foremost writers of the world, as any of the popular monthlies. Some of the newspapers in New York, Boston and Chicago print a greater number of pages upon Sunday, but these are for the most part supplied with advertisements. The merchants in those cities concentrate nearly all their advertising in the Sunday papers, while in Philadelphia they have found it more advantageous to advertise on week days as well.

CONTRIBUTORS to the Sunday edition of "The Times" include many of the foremost names in contemporary literature, both American and European. Its contents cover the whole field of human interest with all that is freshest and best in

Politics, Literature, Fiction, Science, Poetry, Art, Society, Drama, Music, The Household, Humor, Labor, Sport, Athletics, Chess, Fishing, Yachting, Cricket, Football, Base Ball, Etc., Etc.

OUR BOYS AND GIRLS.—No other newspaper gives the same careful attention to the needs and tastes of young readers. The page especially devoted to them commands the services of the best writers and is edited with scrupulous care, with the aim of making it entertaining and instructive and helpful to the sound education as well as to the pure amusement of both big and little boys and girls.

THE ILLUSTRATIONS of "The Times" are recognized as the very best printed in any daily newspaper, and with the elegance of typography "The Times" is unequalled in its popularity among all classes of readers.

THE TIMES aims to have the largest circulation by deserving it, and claims that it is unsurpassed in all the essentials of a great metropolitan newspaper.

SPECIMEN COPIES of any edition will be sent free to any one sending their address.
