The National Capital at its Gayest

What season of the year is more advantageous than spring, to make a tour to the Nation's Capital? The Capital is the centre, around which clusters bright minds of our own and foreign governments; it is the National barometer of social movements. To witness the activity of a working Congress would alone compensate one for the trip, to say nothing of the thousand and one points of interest and instruction in and about the city. Those embracing the opportunity presented by the Pennsylvania Railroad Company's excursion to Washington, April 3d, cannot fail to review it afterwards as time profitably spent.

A choice of trains may be made between the special of Parlor Cars and Day Coaches, the schedule of which is given, or the regular night trains leaving Pittsburgh at 7.15 and 8.10 P. M.

Tickets will be sold, and special train will run, as follows:

	Rates.	Time Leaves	
Pittsburgh	$9 00	8.00	A. M.
Altoona	7 36	11.50	"
Bellefonte	7 [illegible]	10.[illegible]	M.
Tyrone	7 [illegible]	[illegible]	M.
McVeytown	5 95	1.28	"
Lewistown June.	5 60	1.45	"
Mifflin	5 25	2.05	"
Washington Ar.		8.15	"

Return coupons will be accepted on any train within the limit, except the Pennsylvania Limited.

LOWELL.—Mud too numerous to mention in our city.

Henry Houser has gone to Philadelphia to lay in a general stock of goods for the Spring and Summer seasons.

Al Wagner is busy sawing lumber for A. A. Romig's new barn.

Levi Treaster went to Mifflin county to make rails, as Snyder county has the reputation of having the best workmen in any line of business in the State.

Emanuel Peter is about taking a contract to peel 100,000 tons of bark in Mifflin county.

Congress seems to be doing for the soldier what they think they deserve—that is nothing. But they had better look a little out. They might get a call that would not be appreciated, as the 100,000 strong could make use of some of the flowers from the White house conservatory for button hole boquets which they helped to protect in time of war. U. No,

ADAMSBURG.—The Snyder county Sunday School convention will meet in the Evangelical Lutheran church at McClure, commencing Monday evening, May 19, and continue in session till Wednesday afternoon, May 21. An interesting program is being prepared and it is expected that all Sunday School Superintendents will be present to take part, every school in the county should be represented by one or more delegates. Let us all join hands and make it the most successful convention ever held in this county. The Secretary requests that the township Vice Presidents furnish him with the names of all Sunday School Superintendents in their district (or township,) and that all schools are properly reported. Please do so at once.

Communion services will be held in the Lutheran church on Easter morning, and Easter service by the Sunday school in the evening.

J. G. Moyer has shipped from this station about 2000 railroadties in the last week.

Herbert Leisenring, of Mt. Carmel, is home on a visit.

Mr. Zehner, of Paxtonville, has moved into W. H. Dreese's house.

It was reported in some of our county papers that J. O. Felker would teach a Normal school at this place, which is not the case. But a Normal will be held at this place opening April 14, with Prof J C. Houser, of Milroy, as Principal, and J. O. Felker as his assistant. Any information wanted as regards tuition and board will be promptly given by addressing the Principal at Milroy, or his assistent, Mr. Felker at Beaver Springs.

Moody & Singly are putting up a house in Johnstown.

H. O. Smith has sold his house and lot to Levi Swanger.

J. W. Specht is keeping for sale Lewisburg flour which is a good article.

Coal of all kind, especially pea coal, are very scarce at this place.

The citizens are placing a new bell on the Public school building. The old one will be offered at Public Sale on Saturday evening next at the store of Adam Smith. Any person in need of a good bell should not miss this chance.

H. I. Romig has received a lot of ranges No. 8, which he will sell at $16.75, call and see them, they are beauties and guaranteed good bakers.

A. S. Helfrich has gone to Mann's Choice where he is running a steam saw-mill.

A Lady's Perfect Companion

Our new book by Dr. John H. Dye, one of New York's most skillful physicians, shows that pain is not necessary in childbirth, but results from causes easily understood and overcome. It clearly proves that any woman may become a mother without suffering any pain whatever. It also tells how to overcome and prevent morning sickness and the many other evils attending pregnancy. It is highly endorsed by physicians everywhere as the wife's true private compani n. Cut this out: it will save you great pain and possibly your life. Send two cent stamp for descriptive circulars, testimonials, and confidential letter sent in sealed envelope. Address Frank Thomas & Co., Publishers, Baltimore, Md.
