## Goods in Original Packages.

The decision of the Supreme Court of the United States regarding the sale of liquor in original packages in States having prohibition laws has awakened considerable interest among produce dealers who oppose the law of Pennsylvania which prohibits the manufacture, sale and use of oleomargarine.

They argue that if a law prohibiting the sale of liquor in packages purchased in another State is unconstitutional, that the oleomargarine law is unconstitutional for the same reason. The constitutionality of the Pennsylvania statute regarding oleomargarine was confirmed by the supreme Court. A lawyer who argued the case said that that point was fully established, but that an attempt would be made to the next session of the Legislature to have the oleomargarine law repealed.

## PIANOS-ORGANS.

The improved method of fastening strings of Pianos, invented by us, is one of the most important improvements ever made, making the instrument more richly musical in tone, more durable, and less liable to get out of tune.

Both the Mason & Hamlin Organs and Pianos excel chiefly in that which is the chief excellence in any musical instrument, quality of tone. Other things, though important, are much less so than this. An instrument with unmusical tones cannot be good. Illustrated catalogues of new styles, introduced this season, sent free.

FOR DYSPEPSIA,
**Ayer's Sarsaparilla**
Is an effective remedy, as numerous testimonials conclusively prove. "For two years I was a constant sufferer from dyspepsia and liver complaint. I doctored a long time and the medicines prescribed, in nearly every case, only aggravated the disease. An apothecary advised me to use Ayer's Sarsaparilla. I did so, and was cured at a cost of $5. Since that time it has been my family medicine, and sickness has become a stranger to our household. I believe it to be the best medicine on earth." —P. F. McNulty, Hackman, 29 Summer st., Lowell, Mass.

FOR DEBILITY,
**Ayer's Sarsaparilla**
Is a certain cure, when the complaint originates in impoverished blood. "I was a great sufferer from a low condition of the blood and general debility, becoming finally, so reduced that I was unfit for work. Nothing that I did for the complaint helped me so much as Ayer's Sarsaparilla, a few bottles of which restored me to health and strength. I take every opportunity to recommend this medicine in similar cases." —C. Eyich, 14 E. Main st., Chillicothe, Ohio.

FOR ERUPTIONS
And all disorders originating in impurity of the blood, such as boils, carbuncles, pimples, blotches, salt-rheum, scald-head, scrofulous sores, and the like, take only
