**THE SUN.**  
FOR 1891.

Some people agree with THE SUN's opinions about men and things, and some people don't; but everybody likes to get hold of the newspaper which is never dull and never afraid to speak its mind.

Democrats know that for twenty years THE SUN has fought in the front line for Democratic principles, never wavering or weakening in its fidelity to the true interests of the party it serves with fearless intelligence and disinterested vigor. At times opinions have differed as to the best means of accomplishing the common purpose; it is not THE SUN's fault if it has seen further into the millstone.

Eleven hundred and ninety-one will be a great year in American history, and everybody should read THE SUN.
