

CATARRH

Is a most loathsome, dangerous, and prevalent malady. It is a blood disease, usually of scrofulous origin, and for which local treatment is useless. Before health is possible, the poison must be eradicated from the system, and to do this

SUCCESSFULLY

the disease must be treated through the blood. For this purpose no remedy is so effective as Ayer's Sarsaparilla.

"For the past eight years, I have been severely afflicted with Catarrh, none of the many remedies I tried affording me any relief. My digestion was considerably impaired, and my sleep disturbed by phlegm dropping into my throat. In September last I resolved to try Ayer's Sarsaparilla, began to use it at once, and am glad to testify to a great improvement in my health."
—Frank Teson, Jr., engineer, 271 West Fourth street, New York City.

"My daughter, 16 years old, was afflicted with Catarrh from her fifth year. Last August she was

TREATED WITH

Ayer's Sarsaparilla, and after three months of this treatment she was completely cured. It was a most extraordinary case, as any druggist here can testify."—Mrs. D. W. Barnes, Valparaiso, Neb.

Old Style, Shop Worn

Goods like the above picture shows is a common scene in stores where the sale of Boots and Shoes is only one of the many lines of goods they carry, but if you want to see the

Latest Styles in Footwear

come to Middleburgh and drop in at Garman's. Everything from a child's slipper to the heaviest Plow Shoe at prices that cannot be reached by dealers the interest upon whose goods has doubled its first cost.

Coming From

THE NEW Cash Store

I desire to inform the public that I have bought and taken possession of the M. K. Schoch Store, opposite depot, Swineford, Pa., and will run it on a STRICTLY CASH system, and will sell all goods—excepting Groceries—at a discount of ten per cent. I will pay just as much for produce as you can get elsewhere, and at the same time will sell you goods at CASH prices. I will sell for CASH or PRODUCE only on a small margin of profit. You may be good enough for a line of credit but at the prices at which I am selling goods for I cannot afford to sell you on time. I am selling at too small a margin. It is well known that if I were to buy my goods on time they would cost me from 5 to 10 per cent. more than they do when I buy for CASH and I would have to charge a corresponding higher price for them. I do not want you to feel offended when I say "CASH" or if I refuse to sell you goods on time. I want to sell for CASH so I can buy the same way. Look well into the matter, throw prejudice aside and you will surely buy for CASH, CASH, CASH. CASH is the only thing I wish to impress upon your minds, excepting the fact that in return for it I can and will save you money. Do not say you cannot pay CASH, for where there's a will there's a way. Try a small bill for CASH and see how it satisfies you.

Thus you have my intention. It is for your benefit as well as mine. Favor me with a share of your patronage and see if the profits are not mutual. Very truly,
I. E. ULSH.

Morro:—I buy and sell for CASH.
