The Chairmen Meet

FULL DETAILS OF THEIR CONFERENCE AT HARRISBURG, JANUARY 7TH.

From the Chambersburg *Repository*.

Pursuant to mutual agreement the Republican county chairman of the Eighteenth Congressional District met at the United States Hotel, Harrisburg, Pa., on Thursday January 7th, at 12 o'clock, to discuss plans for taking some action relative to future Congressional nominations in this district. The chairmen present were Messrs. Rowland Thompson, of Mifflin; H. B. Dunn, of Huntingdon; D. P. Higgins, of Union; G. M. Witmer, of Snyder; W. V. Shirk, of Juniata, and A. Nevin Pomeroy, of Franklin. The only absent member was Hon. Scott Alexander, of Fulton, who was prevented from being present on account of sickness. He, however, forwarded a letter stating the views of Fulton county.

On motion of A. Nevin Pomeroy, of Franklin, Rowland Thompson, of Mifflin, was elected President, and on motion of W. F. Shirk, of Juniata, Nevin Pomeroy was elected Secretary. The meeting then adjourned until after dinner.

At 1:30 the meeting re-convened. The President stated the object of the meeting—that it had been called for the purpose of taking some action toward accomplishing a more satisfactory system of Congressional nomination in the Eighteenth district.

The gentlemen present all agreed that the best mode of procedure would be to have a committee of three, appointed or elected, as each county saw proper, to meet at the designated time and place to discuss the question and take some action upon it. They, however, felt that the meeting should be held at an earlier date than that mentioned by Chairman Alexander, as it would be nearer the time of primaries in several counties, when, possibly, candidates for Congressional nomination would have publicly announced, which might to some extent interfere with a harmonious meeting and the accomplishment of the purpose for which the meeting was called. As to how these committees were to be selected was the subject for considerable discussion, but as the chairman and county committees are the direct representatives [illegible] to make haste slowly the unfriendly [illegible] advise that the court go into [illegible] their respective counties, and as the committees of Snyder and Franklin had already empowered their chairmen to appoint, it was decided that the delegates to the proposed meeting should be appointed by the county committees in all counties where such had not already been done, and that they should be composed of members of the county committees. This would have the effect of making the committees the direct representatives of the party.

The following resolution was then presented by Mr. Higgins, of Union, and unanimously adopted:

"Resolved, That a conference composed of three delegates from each county in the Eighteenth Congressional district shall meet at Lewistown, on Tuesday, January 26th, at 1 o'clock, p. m., for the purpose of considering the advisability of changing the present representation in future Republican conferences of the Eighteenth Congressional district, composed of the counties of Franklin, Huntingdon, Union, Snyder, Mifflin, Juniata and Fulton; or to formulate and adopt a new system of making nominations for Congress in said district."

The meeting then adjourned.

A. NEVIN POMEROY, Secretary.
ROLAND THOMPSON, President.

The above proceedings are published in full with the request that they be copied by the Republican papers of the district.

At the last meeting of the Franklin County Republican Committee, Chairman Pomeroy was instructed to appoint a committee of three to represent Franklin County in above meeting, should such be held, himself to be one of said committee. He will announce the other two appointments from the county committee in a few days.

Consumption Cured.

Actuated by this motive and a desire to relieve human suffering I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. ACME BLACKING is cheaper at 20 cents a bottle than any other Dressing at 5 cents.

A LITTLE GOES A LONG WAYS because shoes once blackened with it can be kept clean by washing them with water. People in moderate circumstances find it profitable to buy it at 20c. a bottle, because what they spend for Blacking they save in shoe leather.

It is the cheapest blacking considering its quality, and yet we want to sell it cheaper if it can be done. We will pay

$10,000 Reward

for a recipe that will enable us to make WOLFF'S ACME BLACKING at such a price that a retailer can profitably sell it at 10c. a bottle. This offer is open until Jan. 1st, 1893.

DR R. A. SIMPSON'S

Office No. 339 South Duke St. York, Pa

WILL BE AT

Home Office, Jan. 1 to 17

Eagle Hotel, Middleburgh, Pa., from Friday, Jan. 22 at 10 o'clock a. m. to Saturday noon.

Dr. Simpson will examine any one who may call upon him free of charge. Knowing that hundreds are living out a miserable existence with, out medical aid, some because they have passed through the "cold ordeal" without relief, and some perhaps, because they may not know where to apply, he feels justified in making these facts public. Satisfied that a number will secure, on these plain truths and be fully rewarded by a cure.

Our system of practice may need some explanation. The remedies are principally vegetable, discarding entirely the use of Calomel or Mercury, Tartar, Emetic, Arsenic and Antimony because they are disease creating agents of the worst discription. We are opposed to the use of general bloodletting in any case, believing it to be injurious to the constitution and often dangerous to life.

Dr. Simpson treats successfully chronic or long standing diseases of the Head, Throat and Lungs, Kidney and Heart complaints; inveterate diseases of the Stomach that have defied all other methods; those fearful diseases of the nervous system arising from whatever cause; Scrofula, Dropsy, Fits, Fever, Sores, Rheumatism, Neuralgia, Sciatica, Ill Conditioned Ulcer, Cancers removed without the use of the knife and cured. Asthma, Hay Fever, Rose Cold, Winter Cough, Chronic Diarrhoea, etc. All may be cured by this wonderful System, if not too far advanced. Bone and blood diseases cured when all other methods have failed.

Ladies who are suffering with diseases strictly confined to their sex can consult the Doctor with the assurance of a speedy cure Without suffering themselves to the very often unnecessary examination. The doctor particularly invites all cases that have been given up by other physicians.

TESTIMONIALS.

For many years Mr. Charles Allison, of Glen Rock, York county, Pa., had a cancer on his face below the eye. Dr. R. A. Simpson, of York, Pa., removed it by his chemical process. He is now well.

☞ Dr. Simpson invites any one who doubts any of these statements to write to the parties and ascertain for themselves. These are only a few of the many testimonials obtained. The Doctor invites correspondence from a distance. If you wite enclose 4 cents in stamps.
