ing from an effection of the eyes which is incurable and he may go totally blind.
Miscellaneous.

William Smith, of Chicago, accused of holding his little daughter, Kittle, against a hot stove and burning both her arms so that amputation was necessary, was acquitted. The armless child resolutely refused to incriminate the father. His defense was that she was subject to fits, and that the affair was an accident.

James W. Cooper, who served on the jury in the Schneider murder case at Washington, D. C., died on Tuesday. The long confinement and consequent mental strain had affected him, and when he was discharged he had lost over 30 pounds.

Twelve specimen sheep from Bushire, the principal entrepot of Persia, on the Persian gulf, have arrived at London. They are onsigned to the agricultural department at Washington, D. C., by Truxton Beale, the American consul general at Teheran, to whom they were sent from Bushire.

A revival in the African Methodist church at Corsicana, Tex., has been so successful that it has attracted members from other churches. This aroused so muc h ill-feeling that someone burned the Methodist church and parsonage to the ground. Many arrests have been made.

## Bombs Thrown Into a Procession.

Capiz, O., April 18 .- On Holy Thursday there was a public procession of worshipers, the priests bearing religious emblems and relics. Everybody in the procession was passing slowly along, without the least thought of danger, when suddenly two men in the crowd of onlookers threw two petards directly into the procession. In the confusion and excitement the villains who threw the petards made their escape. A number of the precessionists were more or less injured by the explosion, but fortu nately nobody was killed.

### TROUBLE WITH ITALY ENDED.

The U. S. Pays Over 125,000 France of Indemnity for Lynched Italians.
Diplomatic Relations Renewed.

Washington, April 16 .- A settlement has been arrived at between the United States and Italy respecting the lynching of the Italians at New Orleans. The following correspondence on the subject, is sufficiently explanatory: DEPARTMENT OF STATE.

Explanatory:

Department of State, Washington, April 16, 1872.

Washington, April 16, 1872.

Sir. I colograthiate you that the difficulty existing between the United States and Reily growing out of the lamelitable massacre at New Orleans in March of last year. Is about to be terminated. The President, freding that such an injury there should be ample lademnity, instructs me to tender you 125,00 frames. The Italian Government will distribute this sum among the families of the victims. While the injury was not inflicted directly by the United States, the President nevertheless feels it is the soleon duty, as well as the great pleasure of the National Government, to pay a satisfactory indemnity. Moreover, the President's instructions carry with them the hope that the transaction of to-day may efface all memory of the unhappy traredy; that the old and friendly relations of the United States and Italy may be restored, and that nothing unloward may ever again occur to disturb their harmonious friendship.

I avail myself of this occasion to assure you that your prolonced service, at this capital as Charge des Afairs, has been marked by every quality that renders you grateful and acceptable to the Government of the United States, and to rensw to you the assurance of my high consideration.

James G. Rilaine.

Washisovos, April 15, 1892.

Washisovos, April 18, 1892. His Excellency James G. Blaine, Secretary of State, &c., &c.

Ma. Secretary of State.—You were pleased to inform me by your note of to-day that the P. Geral Government had decided to pay to Italy by way of Indemnity the sum of 125,00 frames to be distributed by the Italian Severnment among the families of the rays: subjects, who were victims of the massacre which took place March 14. 1901. In the city of New Orleans. Your Excellency also expressed the hope that the decision reached by the President would put an end to the unfortunate incident to which that deplorable occurrence gave rice, and that the friendly relations between the two countries would be fruinty re-established.

After having taken note with much pleasure, of the language used by the President in his measage of becomber last and after having fully appreciated the words or recretand censure ritered with so much authority by the Chief Manistrate of the Republic, and likewise the recommendations to Congress that were suggested to his lofty wisdom by the unhappy incident, the Government of His Majesty is now glad to loars that the United States acknowledge that it is their solemh duty, and at the same time a great pleasure, to pay an indemnity to Itals.

The King's Government does not he-litate, to see

italy.

The King's Government does not he litate to ac-The King's Government does not he state to accept this indemnity, without prejudice to the Judical steps which if may be proper for the parties to take, and, considering the restress obtained sufficient, it sees no reason why the relations should faithfully reflect the sentiments of reciprocal esteom and sympathy that animate the two nations, should not again become intimate, cordial and friendly, as they have traditionally been in the past, and, as it is to be hoped that they will ever be, in the future.

In bringing the foregoing to your knowledge, is virue of the authorization given me by His Excellency, the Marquis di Rudini, President of the Council, Minister of Foreign affairs, in the name of the Government of His Majasty, the King of Italy, my august sovereign, I have the honor to declare to Your Excellency that the diplomatic relations between Italy and the United States are this moment fully recessabilished.

I hasten moreover in obedience to instructions received, to inform you, that pending the Minister's return to this Capitai, I have taken charge of she Royal Legislation, in the appeals of Charge d'Affaires.

Be pleased to accept, etc.

## Be pleased to accept, etc., INPERIALL.

The money which was paid to Marquis Imperiali, was taken from the fund which is usually appropriated for the State Department to be used in emergencies and for special and extraordinary purposes, such as the present. The fund for the current year amounted to \$80,000, and has been drawn upon in addition to this \$25,000 for expenses at Santiago and Valearaiso, during the ses at Santisgo and Valparaiso during the Chilian controversy, and to meet expenses connected with the Bering Sea negotia-

tions.

ROME, April 16—The newspapers this morning contain editorials on the settlemen of the New Orleans difficulty. They are unanimous in expressing satisfaction with the terms offered by the United States government, and the acceptance of the same by Italy, and the hope is carnestly expressed that the friendly relations now, regimed will never be interrupted in the future.

### BEYOND OUR BORDERS. The legislature of the Brazilian province

of Mayo Grosse has declared that State independent of the republic of Brazil. Smallpox is still raging at San Salvador in

spite of all efforts to check it. Fire at Nogoya, Japan, March 22, destroyed the temple and tower and 1,300 houses,

entailing a loss of \$350,000. A Russian ukase has been issued prohibiting even the naturalized foreigners from settling outside the towns in Volliynia or to possess real estate in Volhynia unless they embrace the religion of the Orthodox Greek

Cholera is spreading at an alarming rate in Punjaub, British India.

Anna Sainio, wife of a professor at the State college at Tavastehuns. Finland, who was charged with having murdered her husband, has been found guilty. ### EXPRESS ROBBERS AT WORK.

They Hold Up a Passenger Train Near New Orleans, Securing About \$2,000. NEW OBLEANS, April 26.-A passenger train on the Illinois Central road was held up by robbers between Arcola and Tangipopa stations, and the express car rifled of about \$2,000.

When the train arrived at Hammond statian a stranger jumped aboard the engine, and drawing a pair of pistols on the engineer and fireman ordered them to go ahead, which they did. The train was scheduled to take a siding at Independence to allow another train to pass, and when that point was reached four other robbers got aboard he engine. As soon as the southbound ttrain had passed the robbers forced the engineer and fireman to go to the express car and compel the messenger to open the door. He refused to do so, but an entrance was effected nevertheless, and while some of the robbers held the passengers in check the others compelled the messenger to open the safes, from which they secure I about \$2,000 and made their escape. None of the passengers were molested. A Sheriff and posse aided by bloodhounds are tracking the fleeing robbers.

Surrendered to United State Troops. DENVER, April 18-Word has been received aere that the cattlemen who were besieged by rustlers at the L. A. Ranch have been released by the United States troops, who disarmed them and took them as prisoners to Fort McKinney.

### FIFTY-SECOND CONGRESS.

Typepay.—After routine business the resolution offered by Mr. Stewart in relation to the purchase of silver and the coinage of standard silver dollars having been taken up and amended (on motion of Mr. Sherman) by inserting the words "and a detailed statement of the amount purchased each day." Mr. Stewart addressed the Senate on the subject. After a lengthy debate the joint resolution for a constitutional amendment was referred to the Committee on Privileges and Elections and the Senate having passed a number of bills on the calendar adjourned. The session of the House to-day was without special interest. Mr. Allen of Mississipplassed unamimous consent for the present consideration of a joint resolution appro-

pl'asked unanimous consent for the present consideration of a joint resolution appro-priating \$50,000 for purchase and distribu-tion of subsistence stores to the sufferers from the overflow of the Tombigbee river and its tributaries. Mr. Kilgore of Texas, objected, and the resolution was referred. The House then went into committee of the whole (Mr. O'Ferral, of Virginia, in the chair) on the urgency deficiency appropria-tion bill, and soon after adjourned. Wednispay.—In the senate Mr. Dolph,

Wernishay.—In the senate Mr. Dolph, from the Committee on Foreign Relations, reported back the House bill for the absoreported back the House bill for the absolute prohibition of the coming of Chinese into the United States with a substitute. After discussion the bill, with the substitute, was placed on the calendar. The Senate then proceededed to consideration of bills on the calendar—disposing of the principal ones as follows: To reorganize the artillery and infantry of the army and to increase its efficiency. Passed. Authorizing the Secretary of War to cause an exploration and survey to be made of the interior ing the Secretary of War to cause an exploration and survey to be made of the interior of the territory of Alaska. Passed. House bill to establish lineal promotion throughout the several lines of artillery, cavalry and infartry of the army. Passed. For the examination and promotion of enlisted men of the army to the grade of second licutemant. Passed. To provide for fixing a uniform standard of classification and grading of wheat, corn. oats, barley and rye. Passed. of wheat, corn, oats, barley and rye, Passed. The Senate then proceeded to executive business, referring to the appropriate committees a number of nominations as well as a communication received from the President, and then adjourned.

dent, and then adjourned.

After passing a bill granting right of way through the Indian territory to the Gaines-ville, Oklahoma and Gulf Hailroad company, the House went into committee of the whole, Mr. Shively, of Indiana, in the chair, on the naval appropriation bill. Mr. Bou telle, of Maine, moved to amend the para graph for the increase of the navy by providing for two fast, sea-going coast-line battle ships, of a displacement of about 10,000 tons at a cost of not exceeding \$4,000,000 each. Pending action, the Committee rose

each. Pending action, the Committee rose and the House adjourned.

Thursbax—The Senate early in its session went to the calendar and passed a large number of bills. Among them were A bill appropriating \$500,000 for the erection of an additional wing to the National Museum in Washington; a bill extending free postal delivery to towns of 5,000 inhabitants or \$5,-000 annual postal receipts. The Senate then went into executive session and adjourned

The House after routine business, consideration of the Naval Appropriation Bill was resumed dending which the House ad-

FRIDAY—The House to-day accomplished nothing whatever in the way of legislation. Numberless bills were reported for the erection of public buildings, and the House then went into Committee of the Whole on the trivate calendar. Not being able to make any headway the House adjourned.

SATURDAY—The Senate was not in session. After the disposal of routine business to-day After the disposal of routine business to-day the House went into committee of the whole, Mr. Shively, of Indiana, in the chair, on the naval appropriation bill. Mr. Pendleton, of West Virginia, opposed the motion made by Mr. Holman, to strike from the bill the clause for the construction of one armed cruiser, and also Mr. Brutelle's amendment for the construction of two leships and torpedo boats. Pending ther discussion the copy the rose and illouse adjourns to the rose and illouse adjourns to the morning business, at 12:50 o'clock, the Senate took up the calendar. At 1:40 p. m. the Senate, on motion of Mr. Sherman, proceeded to executive business. At 3:00 p. m. the doors were reopened and legislative business was proceeded with. The resolution heretofore

proceeded with. The resolution heretofore offered by Mr. Peffer, requesting the Secretary of State to obtain information concerning the use of electricity as a power in the propulsion of farm machinery and im plements, and on the propagation and growth of plants in foreign countries, was taken up, explained briefly by Mr. Peffer, and agreed to. The House amendment to the Senate bill relating to the exchange of the Senate one relating to the exchange of the military post at bittle Rock, Ark... was concurred in, and the bill now goes to the President. The Senate passed a bill grant-ing to the State of California 5 per cent. of the net proceeds for eash sales of public lands in that State. The amount involved is \$700,000. The Senate then adjourned. In the House the naval appropriate bill was passed, after a long debate and reject-

### tion of numerous amendments, when the house adjourned.

THE LAST SAD ACT. The Bodies of the Hill Farm Mine Vic-

tims Recovered. Uniontown, Pa., April 13,-The last three of the Hill farm mine victims were found in the main slove to-day. Two bodies were found yesterday and one, that of Barney

Maust, was found a week ago. All the bodies were badly decomposed. Maust's body was identified by the coal

checks in his pocket. The presence of checks or other articles on the other bodies were all that led to their identification. The bodies were placed in rough boxes and after being viewed by Coroner Holbert and his jury they were quietly interred.

The names of the six men are as follows: James McCune, aged 32, left a widow and one child; Peter Eagan, 26 years old, left a widow and five children; William Hays, aged 21 years, unmarried, (this is the trapper boy whose lamp fired the gas); Milson Turney, 26 years old, left a widow and two children; Joseph Bigley, 30 years old, left a widow and children; Barney Maust, 29 years old, left a widow, but no children.

The Non-Union Miners to Resume Work. Lexpon, April 19.-About 10,000 Durham non-union miners have resumed work. These men have no connection with the strike, but were forced out of employment by the strike. Owing to the stoppage of furnaces through the Durham coal strike. between 18,000 and 20,000 men, women and children, who were not parties to the dispute, were deprived of the means of earning their livlihood. Great distress prevails at Darlington, Stockton, Middelsborough and other places. An appeal was made to the non-union miners by the coal operators to resume work, and they consented.

### Her Children Saw the Murder. Mr. Holly, N.J., April 19 .- Louisa Chock-

ley, a colored woman, 45 years of age, was committed to jail here to-day, charged with the murder of her 9-year-old daughter, Mattic, on Saturday. The murder was committed in the presence of her two other children, who were powerless to prevent it. The girl, for some slight offense, was placed in a chair and a rope tied around her neck and the other end tied to the stove. The mother pulled on the rope until she had strangled the child to death.
