Quarter Sessions.

In the case of the Commonwealth, vs. Henry Boyer, charged with desertion. After he... state... who had a stroke pt... chief l... ... and was buried la... posed the following sentence, that the defendent pay the costs of prosecution, and pay to his wife eight dollars per month for support and maintainance of herself and children and to give security, to be approved of by the court, in the sum of three hundred dollars.

Commonwealth vs. Ira Fry. Charge—Larceny. The defendant plead guilty to the charge of stealing a horse. The prosecutor did not desire that he should be severely punished and was sentenced as follows: Being a male criminal between the ages of fifteen and twenty-five years, and not known to have been previously sentenced for any crime, the court ordered him to be imprisoned in the Pennsylvania Reformatory at Huntingdon.

Commonwealth vs. Harry Focht and Henry W. Rinehart, charged with felonious breaking and larceny. The defendants in this case plead guilty to the charge of breaking into the store of G. S. Rine at McKees Half Falls, Pa., and stealing therefrom clothing, etc., which property has been returned. The Court sentenced Harry Focht to pay a fine of ten dollars and pay the costs of prosecution and undergo an imprisonment in the county jail for the county of Snyder for the period of ten calendar months. Henry W. Rinehart being a male criminal between the ages of fifteen and twenty-five years, and not known to have been previously sentenced for any crime, the Court sentenced him to be imprisoned in the Penn'a Reformatory at Huntingdon.

In a recent letter to the proprietors, Mr. H. M. Bangs, the druggist at Chatsworth, Ill., says: "I am very much pleased with Chamberlain's Cough Remedy. During the epidemic of la grippe here it took the lead and was very much better liked than other cough medicines." The grip requires precisely the same treatment as a very severe cold, for which this remedy is so efficient. It will promptly loosen a cold and relieve the lungs, soon effecting a permanent cure, while most other medicines in common use for colds only give temporary relief. 50 cent bottles for sale by G. M. Shindel, Middleburgh, and Dr. Sampsel, Penns Creek, Druggists. tf.

DR. R. A. SIMPSON'S

Office No. 846 E. Market St. York, Pa.

WILL BE AT

Home Office, June 1 to 19
Eagle Hotel, Middleburgh, Pa., from Friday, June 24, at 10 o'clock a. m. to Saturday noon.

Dr. Simpson will examine any one who may call upon him free of charge. Knowing that hundreds are living out a miserable existence with, out medical aid, some because they have passed through the "cold ordeal" without relief, and some perhaps, because they may not know where to apply, he feels justified n making these facts public. Satisfied that a number will seize upon these plain truths and be fully rewarded by a cure.

Our system of practice may need some explanation. The remedies are principally vegetable, discarding entirely the use of Calomel or Mercury, Tartar, Emetic, Arsenic and Antimony because they are disease creating agents of the worst discription. We are opposed to the use of general bloodletting in any case, believing it to be injurious to the constitution and often dangerous to life.

Dr. Simpson treats successfully chronic or long standing diseases of the Head, Throat and Lungs, Kidney and Heart complaints; Inveterate diseases of the Stomach that have defied all other methods; those fearful diseases of the nervous system arising from whatever cause; Scrofula, Dropsy, Fits, Fever, Sores, Rheumatism, Neuralgia, Sciatica, Ill Conditioned Ulcer, Cancers removed without the use of the knife and cured. Asthma, Hay Fever, Rose Cold, Winter Cough, Chronic Diarrhoea, etc. All may be cured by this wonderful System, if not too far advanced. Bone and blood diseases cured when all other methods have failed.

Ladies who are suffering with diseases strictly confined to their sex can consult the Doctor with the assurance of a speedy cure without suffering themselves to the very often unnecessary examination. The doctor particularly invites all cases that have been given up as hopeless by other physicians. Call and see him before going elsewhere.

Mr. ... Pa., had a ... LITICAL CONVEN... and was compl... Dr. R. A. Simpson.

Miss Annie Koch, of Liverpool, ... Pa., had for may years a malignant ulcer on her limb near the ankle, and although under the treatment of different doctors, the sore grew worse. It was cured by Dr. R. A. Simpson, of York, Pa., in four months. No scraping of the bone or cutting.

For many years Mr. Charles Allison, of Glen Rock, York county, Pa., had a cancer on his face below the eye. Dr. R. A. Simpson, of York, Pa., removed it by his chemical process. He is now well.

P.S.-Dr. Simpson invites any one who doubts any of these statements to write to the parties and ascertain for themselves. These are only a few of the many testimontals obtained. The Doctor invites correspondence from a distance. If you wite enclose 4 cents in stamps.

Remember the dates and call early.

SHOEMACKER CO.'S

Electro-Gold String Pianos.

AMONG the most important points of superiority of these magnificent Pianos is, that longer than those of other makes they remain in tune and that, while many instruments which at first give satisfaction, become flat and wiry, the Shoemacker Piano is still staunch and true. It is impossible to overestimate the advantages derived from the use of the Electro-Gold Strings. The ordinary iron-wrapped or so-called white metal-plated strings, which all other makers are still compelled to use, are immediately affected by atmospheric action, gradually destroying the power of the str... to prolong and sustain the tone, rende... them liable to easily snap and break. The remedy of this has been successfully accomplished by the use of the ELECTRO-GOLD STRINGS, which proof against rust and emit a superior quality of tone.
