This monument marks the highest point within the Union lines reached by Pickett's troops in the memorable charge of July 3d, 1863. The monument has been erected under the auspices of the Battlefield Memorial Association. The dedicatory ceremonies will be highly interesting, consisting of speeches, poems, music, and military exercises. A large number of veterans, both officers and privates, will be gathered on the historic field and the occasion will be a most memorable one.
