

American Cholera.

from the "Daily Herald" Whatcom, Wash.
 "T. C. Burnett, the democratic candidate for sheriff, was taken violently ill at Clearbrook. He had all the symptoms of Asiatic cholera, and for an hour or two it was feared he would die. They finally gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which revived him until a physician arrived." That is precisely what the manufacturers of that medicine recommended for cholera. Send for a physician but give their medicine until the physician arrives. If cholera becomes prevalent in this country next summer this preparation will be in great demand because it can always be depended upon. For sale by G. M. Shindel, Middleburgh, and Dr. Sampsell, Penns Creek, druggists. Dec.

KRATZERVILLE.

Butchering is in full blast, but the report of the heaviest porkers has not reached us yet... The comet nearly scared some of our people out of their wits, but it came and went and the earth "still stands"... Grandfather Jacob C. Ulrich is on the sick-list. We wish him a speedy recovery... Postmaster Yearick is nursing a sore foot... Our teachers are making good use of the instructions received at the county institute... The boys report having had a pleasant time at Wednesday night... The teachers' district institute of Jackson township held at Brouse's schoolhouse on Friday night was a grand success. The program was fully carried out. The institute adjourned to meet again at Snyder's schoolhouse Friday evening, Dec. 16, when the following questions will be discussed: "Primary Geography, what are the objects of the recitation," and others at the option of the institute. Let all come well prepared as these meetings are incentives to our schools, and the exercises will be interesting and instructive. CAESAR.

For sale by G. M. Shindel, Middleburgh, and Dr. Sampsell, Penns Creek, druggists. Dec.

A Bad Cold

If not speedily relieved, may lead to serious issues. Where there is difficulty of breathing, expectoration, or soreness of the throat and bronchial tubes, with a constantly irritating cough, the very best remedy is Ayer's Cherry Pectoral. It soothes the inflamed membrane, relieves the cough, and induces repose. As an emergency medicine, Ayer's Cherry Pectoral should be in every household.
 "There is nothing better for coughs than Ayer's Cherry Pectoral. I use no other preparation."—Annie S. Butler, 109 Pond st., Providence, R. I.
 "I suffered severely from bronchitis; but was

CURED BY
 Ayer's Cherry Pectoral. It saved my life."
 —Geo. B. Hunter, Goose River, N. S.
 "About a year ago I took the worst cold that ever a man had, followed by a terrible cough. The best medical aid was of no avail. At last I began to spit blood, when it was supposed to be all over with me. Every remedy failed, till a neighbor recommended Ayer's Cherry Pectoral. I took half a teaspoonful of this medicine, three times a day, regularly, and very soon began to improve. My cough left me, my sleep was undisturbed, my appetite returned, my emaciated limbs gained flesh and strength and, to-day, thanks to the Pectoral, I am a well man."—H. A. Bean, 28 Winter st., Lawrence, Mass.
