is easily carned by any one of either sex in any part of the country, who is wiffing to work industriously at the employment which we furnish. The labor is light and pleasant, and you run no risk whatever. We fit you out complete, so that you can give the business a trial without expense to yourself. For those willing to do a little work, this is the grandest offer made. You can work all day, or in the evening only. If you are employed, and have a few spare hours at Your disposal, utilize them, and add to your income, our basiness will not interfere at all. You will be amazed on the start at the rapidity and case by which you amass dollar upon dollar, day in and day out. Even beginners are successful from the first hour. Any one can run the business—none fall. You should try nothing else until you see for yourself what you can do at the business which we offer. No capital risked. Women are grand workers; nowadays they make as much as men. They should try this business, as it is so well adapted to them. Write at once and see for yourself. Address H. HALLETT & CO., Box 880, Portland, Me.

MANUAL OVER LOS DESCRIPTIONS

J. B. REED, SUNBURY, PA.

GUNS, AMUNITION, AND FISHING TACKLE.

Rods, Lines, Hooks, Reels, Flies, &c.

If you want to catch big fish you must be provided with a good rod, a strong line, a sharp book, and plenty of bqt. No matter what kind of bait you use, just so you catch the fish. The wriggling worm is a tempting bait, but the artificial bait, though less alatable to the fish, is equally alluring and of times more successful. This is why we keep overything in the line of

We keep everything used in fishing and buting and when you need anything and can't come for it just drop a ner to
