CENTREVILLE.
 A dwelling house owned by Mrs. Catharine Boyer was totally destroyed by fire on the morning of the 30th. The house was occupied by Mr. J. Samsel, the furniture on the first floor was saved. There was insurance on her furniture, in Merchants' Insurance Company at the agency of S. F. Sheary. She at once notified the company of the loss. The loss was adjusted the 3rd inst. by the company's special agent H. J. Clinger, and paid by Mr. Sheary on 10th inst. The loss was satisfactorily adjusted and paid in less than two

weeks' after loss occurred. Mr. Sheary has had almost fifteen years experience in fire insurance and has succeeded in building up a large and extensive line of insurance both in this and adjoining counties. Any person in need of insurance will do well to call on him before procuring insurance elsewhere. Only reliable cash companies represented. Honest insurance at honest rates, and should you meet with losses, they will be satisfactorily adjusted and promptly paid. Office in C. M. Shower's store. Our citizens are making an effort to raise a hook and ladder company as a protection against fire. This is a step in the right direction and should have the liberal support of every property owner. All property of whatever kind, is daily exposed to the feelingless ravages of fire. If there would have been a high west wind on the morning of the 30th ult., the buildings on Main street would have been swept out of existence. The work of nearly a life time may be swept away in an hour. Have your property insured and in addition to insurance let us have a number of ladders and hooks and some trained men to protect our properties in case of a conflagration. Let the good work go on.
