For sale by G. M. Shindel Middleburgh, Dr. J. M. Samsel Penns Creek Pa.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvania, in the treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Jonstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhoea very badly. I got some of Chamberlain's Colic, Cholera

cured both of them. I knew of several other cases where it was equally successful. I think it cannot be exaggerated to say that I recommend it." 25 and 50 cent bottles for sale by G. M. Shindel Middleburgh, Dr. J. M. Samsel Penns Creek Pa.

Mr. Thomas Batts, editor of the "Graphic" Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by G. M. Shindel Middleburgh, and Dr. J. M. Samsel Penns Creek Pa.

LETTER FLICKER! You are your self to blame. You bought a "cheap" pair of shoes from an irresponsible dealer and the first time they got wet the paper soles came off.

Go To Garman's, Middleburgh, and get a pair that will last you, and depend upon it, they are the cheapest in the end. In this world a man generally pays for what he gets, and the only safeguard against robbery is to buy of a responsible dealer who holds his trade by fair dealing.

N. A. BOWES, FASHIONABLE TAILOR! Middleburgh, Pa.

It matters not how inferior the quality of goods, if a suit fits well it looks well; and "visa versa," if it don't fit you may take whatever goods you please and it looks cheap. Then why buy ready made clothing that fits like a coffee sack on a bean-pole and falls to pieces from looking at it, when you can get a suit of better material, lasts twice as long and fits like the paper on the wall for almost the same money by simply calling on your local tailor and leaving your measure? My rapidly increasing trade convince me that the people are "catching on," and although I have plenty to do, I, with the rest of the world, still want more. Come and see my
