MONROE TOWNSHIP.

Rain makers are in demand here but as rainmaking is of late origin but few have learned the trade and are so busy in other parts of this great universe that we are obliged to wait until the good Lord will let it rain....Harvesting is over and people are preparing their soil for winter grain....Peaches and apples are now fast getting ripe but have not developed as in previous years ....A lot of boys well known to the writer, have got it into their heads to have roasting ears and as corn has but few grains yet they spoiled a lot of corn for some people on the east side of Penn's Creek. Boys, we know your names but will refrain from publishing them out of respect to your parents, but take warning. If it happens again you will be marched to the stone pile at Middleburgh....Little nine month-old Frank Wilson, son of Chas. A. and Annie Wilson, died of Cholera infantum on Friday morning Aug. 4th. and was buried at Salem, Sunday 6th, inst. The funeral sermon was preached by the Rev. Suarel of the Lutheran Church. Frank's little twin sister Miriam survives him and was also afflicted with the dreaded disease, but is covalescent again. We sympathize with the parents in there bereavement. V. T.

The annual picnic at Gilbert's School House will be held on Saturday, August 26. All invited. td.

If you are afflicted with a Cough, Cold or any Lung, Throat or Chest trouble, and will use this remedy as directed, giving it a fair trail, and experience no benefit, you may return the bottle and have your money refunded. Mr. J. C. Boswell, one of the best known and most respected citizens of Brownwood, Texas, suffered with diarrhoea for a long time and tried many different remedies without, benefit, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was used: that relieved him at once. For sale by G. M. Shindel Middleburgh, Dr. J. M. Sampsel Penns Creek Pa.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvannia, in the treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Jonstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhoea very badly. I got some of Chamberlain's Colic, Cholera and Diarrhoea Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by G. M. Shindel Middleburgh, Dr J. M. Sampsel Penns Creek Pa.

Mr. Thomas Batte, editor of the "Graphic" Texarkana, Arkansas, has found what he beleives to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving releif. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate releif. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by G. M. Shindel Middleburgh, and Dr. J. M. Sampsel Penns Creek Pa..

LET 'ER FLICKER! You are your self to blame. You bought a "cheap' pair of shoes from an irresponsible dealer and the first time they got wet the paper soles came off.

Go To Garman's, Middleburgh, and get a pair that will last you, and depend upon it, they are the cheepest in the end. In this world a man generally pays for what he gets. and the only safeguard against robbery is to buy of a reponsible dealer who holds his trade by fair dealing.
