

P. R. R's Last Excursion to the Sea.

On Thursday, August 24th, the only remaining cheap-rate excursion to Atlantic City, Ocean City, Cape May, or Sea Isle city will be run by the Pennsylvania Railroad Company.

The rate of \$10 from Pittsburgh, and correspondingly reduced rates from other points, offer a rare opportunity for a most economical trip to any one of the above-mentioned prominent watering-places. The tickets are good for return passage within twelve days, thus giving ample time for a pleasant sojourn on the shores of the Atlantic.

The large number of people availing themselves of this really extraordinary offer on the previous runs of the same series vouches for the satisfaction and popularity which these low-rate seashore excursions meet at the hands of the people.

The special train will leave Pittsburgh at 8.50 A. M., arriving in Philadelphia a little after 7 in the evening. The night may be taken in the Quaker City and any regular train taken the next day for the shore.

The rates apply on regular trains leaving Pittsburgh at 4.30, 7.00 and 8.10 P. M., or on special train leaving 8.50 A. M. on above mentioned date.

The special train will be run on the following schedule, and the tickets will be sold at the rates quoted:

Rate	Train	Leaves
Pittsburgh, \$10.00	8.50 A. M.	
Altoona, 8.00	12.55 P. M.	
Tyrone, 7.65	1.18 "	
Lewistown Junction, 6.00	2.45 "	
Mifflin, 5.65	3.05 "	
Philadelphia, Ar.	7.16 "	

For detailed information address or apply to Thos. E. Watt, Passenger Agent, 119 Fifth Avenue, Pittsburgh.

Half Rates and Fast Trains to Chicago Fair via P. R. R.

The popular excursions to Chicago which are being run by the Pennsylvania Railroad seem to furnish exactly what the people want. The first two trains were well patronized, and as the vacation season is now well advanced the remaining excursions will undoubtedly attract a much larger number of passengers.

A decided improvement in the train schedule, which accelerates the service to deliver the passengers in Chicago at an early hour the following afternoon, places the special train almost on an equality in the matter of speed with the best express trains.

The special trains are composed of the standard coaches for which the Pennsylvania Railroad is famous. Only one night is passed on the road, and the arrival in Chicago is so timed as to give abundant opportunity for engaging quarters before nightfall.

The dates of the next excursions are August 23d, September 4th, 10th, 16th, 23th. The special trains will leave Washington 10.15 A. M., Baltimore 11.29 A. M., stopping at York, Harrisburg, Lewistown Junction, and Tyrone, arriving in Chicago early the next afternoon. The excursion rate, good only on the special train and valid for return within ten days, is \$17 from Washington and Baltimore, and proportionately low from other stations.

This arrangement also applies to all principal stations on the Baltimore and Potomac Railroad the Northern Central Railway between Baltimore and Elmira, Philadelphia and Erie Railroad between Williamsport and Renovo, and principal stations on the main line and branches between Harrisburg and Pittsburgh. No one should fail to visit the Fair with such facilities at hand.

BUCKNELL UNIVERSITY.—The best school is the cheapest. Nearly a million dollars have been invested in fixed and working capital in the five schools of Bucknell University. John Howard Harris, President. For catalogue, illustrations and other information, address the Registrar, Wm. C. Gretzinger, Lewisburg, Pa.

Members of the Christian Endeavor societies will be pleased to learn that Pennsylvania wins the banner for the greatest net gain in membership. Secretary Baer's report at the Montreal convention shows that there are 26,284 societies with a membership of 1,577,049. New York with her 3,099 societies leads the world, Pennsylvania is the second, having over 2,500. San Francisco will be the next meeting place.

Caution.

I hereby give notice to any person trespassing on my premises for fishing or hunting that he will be dealt with according to law.

Mr. J. C. Boswell, one of the best known and most respected citizens of Brownwood, Texas, suffered with diarrhoea for a long time and tried many different remedies without benefit, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was used; that relieved him at once. For sale by G. M. Shindel Middleburgh, Dr. J. M. Samsel Penns Creek Pa.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvania, in the treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. "I spent several weeks in all kinds of medicine," she writes, "but Chamberlain's Colic, Cholera and Diarrhoea Remedy was the only one that cured me. I had something more than very badly. I got the Colic, Cholera and Diarrhoea Remedy from Rev. Mr. Chapman. I cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by G. M. Shindel Middleburgh, Dr. J. M. Samsel Penns Creek Pa.

Mr. Thomas Batte, editor of the "Graphic" Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by G. M. Shindel Middleburgh, Dr. J. M. Samsel Penns Creek Pa.

Go To Garman's, Middleburgh, and get a pair that will last you, and depend upon it, they are the cheapest in the end. In this world a man generally pays for what he gets, and the only safeguard against robbery is to buy of a responsible dealer who holds his trade by fair dealing.
